## **The Crystal River Part 17**

*Each Crystal River entry has started with a Pele Gram that identified the King's Pool at the Water Gate, on the southern wall of Jerusalem, as a place of blessing. The scripture in Nehemiah 2, announced to us that there is no place in the three dimensional flesh consciousness to receive a Spiritual message. If we are to understand the Life Message, we must 'leave' or be willing to give up the false flesh idea and be awakened to the awareness of the Potential of the spiritual brain in our heart.*

*Pele, the Angel who taught me the Hebrew alphabet in one dream, reminded me that the destination of every river is the Sea. Wow! I thought; "Am I being told that it is time for the Crystal River to become part of the Sea of Humanity?" I heard the Angel say; "Si." I knew just enough Spanish to know that the word "Si" means "Yes." The River's destination is the Sea; to "See" the plight of the Sea of Humanity.*

*Then I remembered that in the Unveiling (the Apokalupto), the taking away the Veil of flesh from Christ, The Revealing of Jesus Christ in chapter 4; when John was instructed to "come up higher," he saw Christ in His Arnon Lamb Body standing on a Sea of Glass, as clear as Crystal." Do you SEE? Christ gave up His individual visible Presence in this World to be made visible through and as His corporate Body. He is still here. Now as One with His corporate Elohyim Company, we are returning to our beginning.*

*This particular Treatise will also be a Transition from the writings of Rudy Jones onto the Pen Name 'John R. Calvin' (which is my name reversed). The endeavor is to explore what it means to get a new name. Want to try it?*

### **Water from the Fountain Gate**

*"I went to the gate of the Fountain and to the Kings Pool; but there was no place for the Beast that was under me."  
Nehemiah 2:14*

*Spiritual Implication:*

*At the Kings Pool (Barakah; blessing) there is no place for blessing the beastly, carnal nature. You must leave your beast.*

*These words are for the edification of the Spiritual Body.*

## **“From Transition to Destination: The Holy Sea/See”**

The destination of every river is to become part of an ocean or sea. Each of our lives is like a river. A natural river follows the path of least resistance. THE BEGINNING of our journey was like A RIVER, the CRYSTAL RIVER, and now we are entering a CRYSTAL SEA experience. The SEA is the PLACE WHERE WE SEE life from a new perspective; we will see the PURPOSE of our accumulated PREPARATIONAL EXPERIENCES. Please join me as we invite the Spirit of Life to pour us into the Sea.

This River has flowed through many cities and towns; farms and hamlets; over mountains and through valleys; stopped off at several libraries and schools of thought; even visited a few universities and churches; studied some doctrine and catechisms; even took some science, astronomy and math classes. As I have revisited our journey, I became aware that the way we start plays an important role in HOW we mature into our Potential. So please give me the opportunity to repeat a few important keys. Understanding Passover sets in motion the transition from our human flesh nature into our Father God's Spirit Life. Passover is all about getting a new life.

At Passover, Yehvah God explained to the DESCENDANTS of Jacob/Israel what happened to their Ancestor Jacob when he became Israel. He taught them how Jacob received a totally new Name, or Nature, and Character. The Passover is the Parable illustrated in a Pageant format, to show the Spiritual Plan of Yehvah God and to teach them as well as all 'believers' the necessary steps leading to the transformation of a new Spiritual "I AM" You.

The Passover Parable shows how the feminine/spiritual parts of each and every person, through an intimate relationship with God's Word by believing, can reproduce (give 'birth') to the Christ Messiah expression of You. You are changed in the atom structure of your body and introduced to the unified field of the heart that Science is calling Quantum. In the human natural reproduction of a new human life, the male and female entities come together to make a new baby person. God's Plan in Spiritual Reproduction follows the same pattern: conception occurs when the union of the woman's egg and the male sperm unite. In the Spiritual Union, the female *Nephesh* SOUL aspect within each of us is designed and equipped to receive God's WORD as *sperma*, and conceives a brand new image of our Father God, as Ourselves. The Plan is all portrayed in PASSOVER, for those who have eyes to see. That is where AND HOW we find our fulfilling Purpose.

You are breathing His Breath. You are breathing aren't you? Every time you take a breath, acknowledge Him as your life. Now I'd like to show you how God designed Passover to introduce us to Spirit Life.

**NO ONE is a candidate for the Passover experience  
UNTIL they are DISCONTENTED with the way they are.**

"All of a sudden MY HEART SINGS, when I REMEMBER SPECIAL THINGS!"

About 1,000 years after The Exodus of Israel from Egypt, the Prophet Ezekiel brought new insight to the Passover 'spiritual' message, when he heard the LORD God say to His wife Israel, "LIVE." **You can LIVE a different kind of life.** You already have God's Life! About 1,000 years after Ezekiel, Jesus proclaimed; "I am come that you might have a new kind of Life." This Life may seem new to you, because you have believed a lie; you have not been aware that you already have this Life. **The lie is that you are separated from and less than the Spirit of the Living God.** We are designed to IMAGE our Creator, Who is Spirit. His Life is the "**Light, which lighteth every one who comes into the world**" (John 1: 9).

The word "Ezekiel" is *Yechezqel* in Hebrew, and means 'God will strengthen.' His Passover insight will give new strength to our belief. The LORD said; "**Now when I passed by you [passed over you], and looked upon you, behold, thy time [was] the time of love; and I spread my skirt over you, and covered your nakedness: yea, I swore unto you, and entered into a covenant with you, saith the LORD God, and you became mine. Then washed I you with water; yea, I thoroughly washed away thy blood from you, and I**

**anointed you with oil.** And when I saw you polluted in your blood, I said unto you [when you were] **in your blood, Live.**” (Ezekiel 16: 6, 8, 9). Ezekiel’s words emphasize a review of Israel’s Passover experience. Over the years the Angel has taught me to take these instructions personally, and I have seen the healing evidence dozens of times when this truth is made personal by believing. Allow me to paraphrase the Ezekiel message.

Before I begin to paraphrase, we need to understand that **the word “Now” introduces us to a place where time is replaced by the Present (His Presence).** **“NOW” identifies where God is. God within us is always outside of time.** As His Covenant Wife, we are **anointed to BE One with Him.** To be “One” initiates the idea of conceiving or reproduction. The word Passover in the original Hebrew means to cover or overshadow.

Ezekiel shows us that the 14th day of Passover was not a time of death, but was actually **a time of love**, which means it was a time for ovulation and conception of a new quality of Life, which is spiritual. Exodus 12:13; **“And the blood shall be to you for a token [sign] upon the houses where ye [are]: and when I see the blood, I will pass over you, and the plague shall not be upon you to destroy [you], when I smite the land of Egypt.”** The Church has taught that the blood was applied to the door as protection from the death angel. But Ezekiel is presenting (as a new insight) that actually the 14th day is the day of ovulation and conception of new Life, and the blood was actually a token (sign) to show God that they were open to receive His Seed of new Life. Ezekiel said that the 14th day, or Passover, **was the time of love**, not the time of getting rid of an unfertilized egg. Israel did not get the message because they did not know that God is a Spirit, and the only way to receive Spirit Life is by faith in the Promise. Instead of the blood providing protection from death, God is introducing a quality of Spirit Life that nullifies death. My interpretation of Exodus 12:13 is the following: “Now, when I PASSED OVER you and looked upon you and saw the blood upon your human carnal conception door, I saw your **‘sign’** of obedience (blood on the door), which showed Me your willingness to give up the carnal, mortal Adam seed in order to receive My Promised Seed; I observed that it was your time of love (ovulation).”

I believe Ezekiel wrote what he did to explain the misconception concerning Exodus 12. Ezekiel’s interpretation is: **“I put My Robe ‘of Righteousness’ over you, and by My Word I was intimate with you, as I covered your nakedness, and joined Myself with you in covenant to reveal to you how to become a new spiritual You (impregnated in the ‘loins’ of your mind).** And you remembered You were Mine! **We again became ONE.** From my view; You became My new creation son, **birthed out of yourself. I see the end as the beginning.** I washed you with the crystal clear water of baptism. Yes, I did it; and **I thoroughly washed away your blood of iniquitous mortality,** and I anointed You with the Messiah Son Anointing Oil of My Spirit. I put My Robe on You and gave You my signet ring and new sandals for Your feet. **You are the visible expression of My unseen Presence.**” Wow, what a trusting assignment. Are you SEEing it? *(Personalized paraphrase by John R. Calvin)*

I am focused on Passover; because **I believe it is in the message of Passover that Father gives us the 'vision' and the formula to show us how He, in ONENess with US, plans for US, living 'as' Him, will fulfill His Promise.** That is **why** I am trying to do what THE SPIRIT TOLD HABAKKUK; **"Write the vision, and make [it] plain, upon the tablets, that he may run that reads it"** (Habakkuk 2:2).

The Crystal River started to flow in my life at a New Beginning's Feast of Passover gathering in Sweetwater, Tennessee, on April 4th in the year 2004, (4/4/4). It was there that the Angel showed me in a dream, that when the Soldier pierced the side of Jesus on the Cross, after Jesus had released his Christ Spirit, His body remained on the cross as the male and female symbols of mortal Adam. He fulfilled in detail the Parable of Passover that prophesied the death of mortal Adam, the abolishing of his carnal history and his genetic record, AND the resurrection birthing of a new creation people, born of the Spirit of God. Passover is the Revelation of 'how' people born of woman can transition into a Spirit born son with Resurrection Potential by 'crossing over to the other side'; the right side. The word Hebrew means "one who has crossed over." I believe this signifies for us to cross from the left side of the brain to the right side, "to the other side." Through the education of the left side of the brain, man has created the Satan Ego. Someone must be like Roger Bannister and 'break' the (4 minute mile) barrier. Others will follow. It could be one of us, or it could be many of us! It will eventually be all of us. The hidden man of the heart must replace the old man.

John testified that he saw 'blood and water' flow out of the side of Jesus. Medically we know today that after death mortal blood coagulates within minutes. Note that His blood was not mortal, even though **"He who knew no sin (separation from God); had become sin."** His blood was still untainted. It would require over an hour of time for Joseph of Arimathea to go into Jerusalem, to request of Pilate the body of Jesus, and for the soldier to have been instructed by the Governor to **"pierce the side of"** The Lamb of God, to make sure that He was dead. This **'sign'** was important because John and the other disciples were very familiar with the prophecies and the Passover Pageants. It had been prophesied that **"the lamb should die from piercing,"** and **"to be careful that a bone in it's body should not broken"** (Exodus 12 and 1 Cor. 5:7). For emphasis, it happened that two others were crucified. The Guard broke the legs of the others; but he pierced the side of Jesus, that the Scriptures might be fulfilled. Both methods (breaking the legs and or the piercing) were to assure the death of the victim. (Note: The bone is where the marrow is and the marrow is where red blood cells are made.)

A key event happened the year prior to the death of Christ, which gives us valuable insight to understanding Passover. In the year prior to the Crucifixion, at the closing ceremony of Tabernacles, the High Priest **ascended** to the top of the 15 foot high Altar of Sacrifice. He raised a golden vessel of water brought from the Pool of Siloam to commence the most solemn part of the ceremony. At this high point of the Festival Pageant, Christ broke the silence saying in a loud voice; **"If any man thirst, let him come unto me, and drink of**

**the water of life freely. This spake He of the Holy Spirit, not yet given to man’s consciousness”** (*JRC paraphrase*). The Priest proceeded to pour the water onto the blood of the sacrifice, which previously had been applied to the horns of the Altar. The key I wanted you to see was that blood and water ran down **“together,”** as witnessed by Israelites for at least 1,500 years. But, it had just become a religious ritual.

I am trying to show you that in the offering of Christ on the cross, He brought together all three Feasts: Passover, Pentecost and Tabernacles. In the three days of His death, burial and Resurrection, He fulfilled all three of the Feasts’ Holy Days. **Our True Identity is hidden by our flesh consciousness, but we experience Passover when we embrace our own Spiritual lamb identity as The Revelation of Who we truly are.** When we were born of natural human parents and of a woman, we were like lambs, “poor little lambs.” We were subject to and dependent upon parental shepherding. We downloaded their behavior patterns, cultural behavior, attitudes and their instructions into our sub-conscious minds, which became our blue print of how to get by in this competitive world. The subconscious became the dominant force.

We were not naturally born free. We were trained and educated to be ‘I’ conscious and to be carnally independent. In our carnal mind, we were driven by the rulership of the left brain Ego and the subconscious. We had not yet heard the Gospel of the Passover Message, to realize that our lamb was born spiritually above, in a higher realm. It was Father’s Plan for us to learn by experience the vanity of the flesh. Make sure you understand the Spiritual Message of Passover and mix it with faith; that is to believe you already are Spirit. That is a heavy order. It means that we can by faith elect God Life before our carnal senses have evidence. The subconscious must be erased and re-written. The lamb was slain before the foundation of the world. Our lamb was subjected to the flesh. This revealed truth is the eraser.

The Feast of Tabernacles becomes personal when we are shown that we are the unique dwelling place of the invisible God, and are aware that we are His Mansion; or His Temple. He made us Wonderfully and Fearfully... an awesome Nation of natural ions making up a nation of 50 trillion individual programmable computer chips (cells) in one body. Do you remember that He told Abraham and his covenant helpmeet Sarah that He would make them rulers of nations? Yes, He did. Abraham was looking for his capitol City outside of himself. Jesus addressed that condition when He told his Disciples; “You are the city set on a Hill with a Government” (*JRC paraphrase*). You and I are also. Abraham did not know that he was the City that he was looking for.

Religion misses the Truth because it is focused on Dogma and Rituals, which titillate the carnal mind. The carnal (flesh) mind cannot receive this Spirit Truth. What I have attempted to write in this treatise is foolish to the common senses’ carnal ‘I’ centered mind. Our heart mind is virgin, reserved for Spirit thought. Can a virgin heart conceive without knowing a man? Mary did. **The promises of a Spiritual Life can only be experienced by receiving**

**God’s sperma Word in your ‘virgin heart,’ which includes discovering that we had actually received His Word (sperma) before our Earth experience.** This is our revelation of an event that took place in the higher realm of Heaven and was consummated for us before we were born. Jesus said; “If thou canst Believe in your heart, that you have already received, nothing shall be impossible to him who believeth.” Believing in the heart happens when we believe, in our heart, that we have the Promise of Sonship and Oneness with our Father, in His Kingdom, even before we heard.

Sarah was able to believe in her heart when she was 89 years old, and conceived Isaac. Isaac means a **‘merry heart or laughter.’** Mary also conceived without knowing a man. God is no respecter of persons; if Sarah and Mary can conceive, so can we. (The name Mary in Hebrew is Miriam. Imagine with me that in her name “Mir” represents a mirror plus “I am” = Miriam.) The image in a mirror is a good representation of how our righteous relation allows us to be Father’s mirror image. **Sarah and Mary conceived in their heart.**

God’s Plan to change man’s flesh consciousness into a spiritual awareness is developed through the Passover Pageant formula, which began 3500 years ago. On the tenth day of the first month, Israel was instructed to select a lamb of the first year (a lamb which had not been mated, a virgin). Exodus 12: 3, 4, 5; talks about A lamb, then about The lamb and finally YOUR lamb. To get the message I am sharing, we must realize that the lamb is a symbol of the ‘me’ person. If we don’t understand this here in Passover, it will be extremely difficult to SEE that the Lamb in The Book of The Revelation, is also talking also about the ‘me’ lamb. When you ‘get it’ we will thrill to hear the hosts of Heaven praying, “Worthy is the Lamb that was slain to receive power, and riches, and wisdom...” (The Revelation 5:12). The Arnion Lamb in The Revelation is the Body of Christ. You will get it. We must.

The Lamb identifies every natural born person who naturally ‘follows’ the natural DNA of his/her Ancestry. You are aware that a lamb or sheep was created with out a guidance system (no GPS); also it does not have a defense mechanism. The lamb is totally dependant on ‘a Shepherd.’ As we apply these symbols to our own life in the natural, the human lamb’s Shepherds are his parents. For the first six years of the child’s life, the sub conscious mind is developed through observing his home environment and observing parental imaging, learning ‘how to cope in the world.’ Then the Educational System begins to educate the left brain where the child learns language, numbers and reasoning. I have already hinted that God designed the right brain mainly for Himself. More about that later. Imagine the benefits when parents fill the little lambs’ super consciousness with Spirit Covenant Christ Truth as Mary.

### **SPIRIT: The Messiah Jesus Introduced a Dimension Never Heard Of Until Now**

Fifteen hundred years after the first Passover, The Disciple/Apostle Simon Peter wrote, “gird up the reproductive organs (the loins) of your mind.” It had to be the Holy Spirit Who revealed this to Peter because at that time, no man knew that mankind had reproductive

organs in the mind. That is what Moses was instructed to teach natural minded Israel; but they did not know about the Spirit at that time. Paul taught that the natural carnal mind could not understand the things of the Spirit. Jesus was the very first man who knew and taught that God is Spirit and that mankind must WORSHIP God (worship means to know the worth)... worship GOD in Spirit. Spirit is Truth. Truth is Spirit.

All those listed in Hebrews chapter 11 received an excellent score by faith; even Enoch; but they all came short of The Greater Promise. Are you seeing that the Promise is our own individual Spiritual Sonship, designed to give us the same status as Christ? That also includes being the Tabernacle of God and knowing His Presence within our hearts. Another note: Those great outstanding men and women of Faith cannot come to the perfection of the Promise without us. God in His word is saying that the cloud of witnesses are extremely interested in what God is doing in the Spiritual Church and that the Faith Company is doing everything they can to encourage us to PUSH, as we are in labor, birthing our new man. They will come into the Promise when we do. Think on these things and “ponder” them in your heart. You may feel the babe leap in the ‘loins’ (womb) of your mind. May the importance of Passover sink in.

### **Into Our River Came a New Word: QUANTUM**

Quantum is a science but its means nothing to you until you are individually conscious of its Reality. There have been many tributaries (through our journey) to enlarge our River (Consciousness). In my mind the addition of Quantum to my consciousness has been as a voice saying, “Come up higher.” Quantum is a higher personal consciousness than Science heretofore has studied and is still researching, measuring and debating its true definition. My question concerning Quantum was; “Is it Scriptural and can it be applied to our spiritual life?”

After searching for the spiritual personal application for my life, I would define Quantum this way: Quantum describes the Place, the Secret Place, the Most Holy Place of Man's Heart. Quantum is a unified Field of Magnetic Energy, giving definition to Man's Personal Potential from “The Unlimited Field of Energy,” outside of time, a NOW ZONE, prepared by our Creator God as His Tabernacle Home. Quantum is the Consciousness where everything and everyone is ONE and where we all are ONE, expressing Father's Life as His ‘Man’-ifested Son. Quantum is The Place and The Way that our Father relates to us; Spirit to Spirit; in a perfect heart, righteous and completed. When we can see our self as He sees us we will be like Him: entire, complete, perfect and whole. We will be like Him and He will be like us... Because HE IS US. Since recorded history it has always been God's Plan to become a Man.

### **As the River flowed. We are all flowing like a River.**

I had never been so interested in any subject before. I had written an article sometime before

about the Hubble telescope being put into outer space. I had predicted that there would be a parallel exploration and revelations about inner space. I imagined that quantum gave man the best possibility for understanding how GOD HAD CREATED A HOLOGRAPHIC UNIVERSE with innumerable galaxies and constellations and in His Creative Order designed and formed the human body as a microcosm of the macro universes. He even reduced the universe to be portrayed in the microscopic atom. Of all things, God is using science now to explain the great mysteries of the Scriptures.

Quantum is the Consciousness where God becomes man and man becomes God, where the male is female and the female is male, where the outside takes on the nature of the inside and the inside is manifested as the outside, where the past is swallowed up by the now and the future becomes part of the now; where God is all and at the same time, in all. It is the Kingdom of Heaven within; it is where Jesus said we are from, of, and in. It is the dimension where our citizenship is registered. Quantum is the dimension of the fourth man and is also the door to other world dimensions. Quantum is where we all are quanta. ### **The Up and Down of ENTRAINMENT**

We also explored the University Libraries to research Entrainment and found that God designed the right side of our brain (the *nephesh*, female side) **to entrain with the quantum heart**; God's Peace Place Residence is in the Perfect Heart. His Plan allows the Presence of the Government of God in man's heart to communicate out of the believer to the world using the language of the repentant submissive left brain. But it is not possible until the Ego Rule of the left brain has embraced the provision of the Cross of Christ and accepted playing the role of servant. Do you SEE the unique ability of God's Plan? When the self-centered 'I' of the left brain is committed to God's Will, it is reduced to a little submissive 'i,' and then can communicate the Love of God in the languages of the world. Then the Plan of God is fulfilled in man. Then the Words are fulfilled; "It is the Father who doeth the work." The reason God so loves His world, is that He foresaw that He could use the competitive frictions of opposites to give visibility to invisible Spirit in the three dimensional world.

### **WE ARE FLOWING INTO THE "SEE"... feel the difference.**

When John, one of the inner circle disciples, was given the Revelation of Jesus Christ, after the accounts of Christ's interaction with the Seven Churches; in chapter four, he wrote that the voice of a trumpet said, "Come up higher. And immediately I was in the spirit: and, behold, a throne was set in heaven, and [one] sat on the throne. And before the throne [there was] a Sea of Glass like unto crystal." Here we find ourselves in the higher consciousness in the Lamb, learning to SEE through a Sea of Glass clear as crystal. Two thirds of the Earth is made up of water, or should I say waters: mainly pure, drinkable and undrinkable salt water. The Bible records that our bodies were formed of the earth and our composition seems to confirm it. Like the Earth, our bodies are two thirds water. It is interesting to note that the

word "heaven" in Hebrew is "*shmayin*" which means "where the water is." Webster defines water as a chemical compound made up of one third hydrogen and two thirds oxygen, the most abundant of all elements. Oxygen and water are necessary for physical life. Hydrogen is the lightest of all known chemical elements, #1 on the Atomic scale in the Periodic Chart. Since our true identity is Spirit, can we find a relationship to Hydrogen?

We are just entering a new Astronomic sign of Aquarius, where we are now identified with a man, not a fish. We are leaving the sign of Pisces, which was 2,000 years of a divided church history depicted by two fish swimming away from each other. The sign of Aquarius depicts a man on one knee pouring water out of a water pot into the mouth of a **single** fish named Australius. He is the same man who had a large upper room already prepared for Jesus to introduce the True Passover Message to His disciples. We believe the Spirit has shown us that the man, who had an upper room already prepared, is our new identity as the Man Child. We are ascending into this new consciousness. We now are aware that we are the man who has an upper room of higher consciousness already prepared in our hearts, who now has a new message that the church is anxious to hear. Like Mary, we should "ponder" these things in our heart."

The Sea in Scripture is a symbol or a parable, representing all of humanity. This is a new opportunity of an old experience. We bring with us, from our individual 'river' experiences all that Father has revealed to us in our journey. In the sea, we are allowed, as a mature Son, to appreciate, what the masses see; now in our new "huios" mature Man Child nature we see with humility and. The masses see themselves as victims of circumstances; but we are given to understand and pour out the words of Creative Power in Father's Kingdom of Peace. "Blessed are the PEACE-MAKERS: for they shall be called the children of God. (Literally, the word children is *huios*, which means 'Sons of GOD.') The makers of peace are we Sons; the "wequanta," Sons of the unified Heart.

Moses found it necessary to put a veil (of flesh) on the Spiritual Message of God's Salvation, in order to control the rebellious carnal nation. The New Testament Covenant reports that Christ rent and removed the veil of flesh, opening the eyes of believers to See the Spirit of everything. Christ made it possible for us to see Our Father God as a compassionate Loving God instead of the Commanding General Judge. Moses message from the flesh viewpoint empowered the sensual mind to look on the outward appearances. When Jesus rent the flesh veil, He empowered us to look upon the heart.

The least in the Kingdom of God are GREATER than religions' leaders. In Romans 8; the *huiiothesia* Sons that all Creation is waiting for, are the Peace Makers. They are no longer the Sons to be placed; we are the Sons who have been placed. When you 'see' this truth, there will be nothing left to wait for. A "wee little" spiritual see is far greater than the Holy See of religion. In God's eyes and in His Kingdom we are the least who are proclaimed to be the greatest. When we see where the real Power is, we delight in not being given recognition.

Isaiah prophesied “for unto us a child is born, unto us a Son is given... and His name shall be called Wonderful; Counselor; The mighty God; The everlasting Father; The Prince of Peace” (Isaiah 9:6). I believe the Names are a progressive revelation of our potential growth experience in developing the nature of God, as our own nature. Notice: the name above every other name is Prince of Peace. The Angels said; Glory to God, the Most High, and Peace on Earth. The Father and all the Faithful Holy Ones of the Old Testament are waiting expectantly for the Son Placing of those who are the Peace Makers. It is time for us to ‘roll’, and to sing “when the roll is called up yonder,” we’ll be ‘here’ instead of ‘there.’ Remember; Christ was given a name above every name. Remember again; **“As He is, so are we, in this world.”** We are the Peace Makers.

We can observe in ourselves the difference in the You or Me birthed into the Passover principle. The Passover You is birthed out of the loins of the mind rather than the usual human birth canal. The new You conceived in the loins of the mind by the “Word of God’ releases the ‘David’ power over the Goliath of the sensual flesh. The new creation man is birthed into the glorious liberty of Spirit, with the creative mind of Christ. The major difference between the natural born person and the spirit born person, is that the spirit born person has more concern for others. The You living in the Spirit has an unusual interest in others. The Christ Spirit loves others as self; and is gratified by seeing others get the glory. Can the nations (natural ions of your spirit) be born in a day? YES; into the Day of the Lord, where every day is the Lord’s day.

His Benjaminite parents likely named Saul of Tarsus after his ancestor, King Saul, who was of stature a head taller than his peers. Saul of Tarsus had risen to be the Chief Prosecutor of the Temple Guard in Jerusalem, positionally, a big man; but when he learned the truth of where the greater power lies; he changed his name to Paul, which means little or least.

I’ve noticed about the Sea; the tide comes in every day. We are going to attempt to put up, on our website [www.wequanta.com](http://www.wequanta.com), a note in a bottle, every time the Spirit allows us to find the bottle in the surf. We anticipate accumulating the messages for a monthly newsletter as the Spirit continues to bless us. We are among men the most privileged. Blessed are the Pure in Heart for they shall ‘see’ the invisible God.
