

The Crystal River (Part 3)

When you become aware that eventually every thing in life is changed from its physical or liquid form by your body into atomic ionic electrical frequencies, you will see that your body is spiritual. The law of naming in Genesis 2, is still true and in effect today; “what you call it is what it is”. At the atom ion level YOU ARE SPIRIT. In the heart of your DNA (what you think of yourself) is what you are. YOU ARE SPIRIT (Romans 8:9).

YOUR PHYSICAL BODY IS A CRYSTAL RIVER OF SPIRITUAL FREQUENCIES

Visible life begins at the ionic level. Webster defines an ion as “the electron charge in an atom”. The complete atom includes at least one electron, one proton and one neutron to produce balanced life. Everything visible is composed of this invisible world of atoms. Up until about fifty years ago, it was believed the atom was the smallest element of energy – until the atom was split (then we had a Big Bang) and mankind was introduced to a ‘new’ universe of orderly arranged energy. Educators were forced to adjust our sciences to the fact that the most powerful energy was actually in the smallest packages; in the sub-atomic quanta. Man discovered a new microscopic dimension and a new unexplored universe of study; and named it Quantum Science. Students of Spiritual Science were given a new view, in this new unknown dimension of the beginnings of life, as to how the Kingdom of Heaven within man’s cellular body is ordered. We now can look into the natural quanta physiology to explore the spiritual, ordered Kingdom of Heaven.

An ion carries the electric charge in the negative electron part of the atom structure of life. The orderly orbit of the negative electron and the positive proton around the nucleus is similar to the orbits of the earth and planets around the sun, and the distance between is empty space. However, the empty space in an atom is not empty. What seems to be empty space is a vast library of information. Each human cell contains the necessary information and schematic to construct a most wonderful mansion for you to live in, plus it contains a detailed history of every member of your family tree.

★★★★★★ **“IT IS WRITTEN; A BODY I HAVE PREPARED YOU”** ★★★★★★

The atoms which make up each cell are copies of the original and were divinely programmed by The Creator to operate in an orderly arranged manner. However; when we introduce our ‘spiritual house’ to man-made pharmaceuticals, man-made food with preservatives and colorings, water with harmful man-made additives and contaminated with fertilizers and pesticides; the man-made products act as a grounding power on the ions. When the ion loses its electric charge, it becomes a free radical with a desperate need to borrow or steal a charged ion from another atom. That parasitic nature develops an abnormal growth of cells, and can produce a cancerous tumor.

A Pelegram...

Volume 1, No.5

Water from the Fountain Gate

“I went to the gate of the Fountain and to the Kings Pool; but there was no place for the beast that was under me.”

Nehemiah 2:14

Spiritual Implication:

At the Kings Pool

(*Barakah; blessing*) there

is no place for blessing the beastly, carnal nature.

You must leave your beast.

These words are for the edification of the Spiritual Body.

Please allow me to share a personal educational experience. In the summer of 2002, I was flying with my friend Art, in his airplane, from Detroit to St. Louis. Art has a Master Degree in Engineering and is very well read in the field of Aeronautic Science. During the trip, I asked Art if he could explain to me, in lay terms, the 'law of hydraulics'. I had read some place where Hydraulics had to do in physics with the elevation of water into the 'heavens'.

Without hesitation, Art explained. When the ultra violet rays of the sun heat the waters in lakes, ponds, rivers and oceans sufficiently; it causes evaporation. The vapors rise into the atmosphere. Then something mysterious happens. As far as I know, he said, no one understands why; but when the vapors reach 22,000 feet, they turn into droplets and become ionically charged. As the droplets continue to rise, the temperature drops below freezing and the drops freeze and become ice pellet clouds. He explained that no pilots would fly his airplane in a cloud above 22,000 feet without risking severe damage. (I noticed that we were at 12,000 feet, so I took a deep breath.)

That's when I received a wonderful insight. When the electric charged frozen ions of ice started to fall back to the earth (whether in the form of sleet or snow or rain), the electric charged atoms 'feed' the earth with a new charged ion of 'life'. I knew then why rain water changes a brown lawn or pasture into a healthy green; almost instantly. Our 'natural' body is changed by the spiritual charge which comes from Him Who came down from above.

Wow! What a great spiritual lesson! (First the natural, then the spiritual.) It is like Jacob's DNA ladder; when the conditions are right, our Father draws us up into the energy and the frequency of the Son to re-charge our ions and prepare us to be poured out as a priestly blessing. The number 22 (22,000) identifies the 22,000 Levites chosen for training in Priestly service; the 22 ornaments on the Lamp, and the 22 letters of the Hebrew alphabet (designed to express the language of The Father's) "**...I will open you, the windows of heaven, and pour you out a blessing**" (Malachi 3:10). We are the windows. When The Father pours us out, He turns the dry and thirsty desert into green garden. Father's DNA is in the 70% water that makes up our bodies. When He draws us up into the ascended consciousness of Oneness with Father as His Son. He equips us to 'feed' a desert-ed person, then He pours us out. I am reminded of Joshua Grogan's song at the 2004 Super Bowl; "He raised me up, to be more than I can be."

My personal Sunami! A few days ago I was driving alone, when I ran into a storm. It was a b'rain storm. While driving, I had been walking up and down in the back roads of my mind, comparing scriptures, and contemplating the difference between creating and forming. I was trying to understand why Yehvah (God) "**created darkness and formed light,**" and again why Isaiah also reported that Yehvah "**created evil and formed good.**" Why did He create the negative first (darkness, evil) and how did He then, as a second act, form the positive (light, good)? Why is it written: The Elohiym created one Adam, and Yehvah Elohiym formed the earthy Adam? (Genesis 1 and Genesis 2.) Why were the two activities different? Why?

Then the LIGHTNING STRUCK!! "**In the beginning God created the heaven and the earth. And the earth was without form, and void; and darkness was upon the face of the deep. And the**

Spirit of God moved upon the face of the waters. And God said, Let there be light” (Gen 1:1-3). Oh my God! I saw, in my spirit, something that I had never seen. “In the beginning was the Word, and the Word was with God, and the Word was God. All things were made by Him**” (John 1:1). “**And the Word was made flesh**” (John 1:13). The Word of God was the eternal Christ, the son of man. When The Creators Elohiym said; “**Let there be light,**” the spoken Voice was the Christ. He was then and forever will be the Spoken Word of the Creator. Oh, my friends, do you see this? This is how Yehvah Elohiym forms! **HE forms with words.** In our Christ oneness, we become His Word.**

Elohiym “**formed man [Adam] of the dust of the ground” (Genesis 2:7). (He spoke Adam’s form into existence.) I had memorized some years ago the Hebrew word “dust”, **Aphar**. And I remembered that Strong defined the word **aphar** as; “*dust, clay and gray.*” And the root word means gray. It HIT me like a bolt of lightning. It knocked me off my “animal”. Of course; I shouted. HE formed Adam of GRAY MATTER. He formed Adam with the potential to Think; to THINK God’s thoughts. Man’s role in God’s plan was to give form, by speaking, to the “without form conditions on the planet.”**

THINK OF IT! The mind of Christ can think God’s thoughts. The mind of Christ is Spiritual and compatible with the Spirit of God; while the sensual, carnal mind is out of sync and totally incompatible with the Creative Sprit. Well, as I was in the spirit during the b’rain storm, I just sat there on the side of the road and wept tears of gratitude for the privilege to receive such an overwhelming word from our Father. What glory it is to be the man part of The CREATOR.

To connect this to our thoughts on “frequencies”, let me share with you a couple of significant words in the Genesis story of the Creation. The Hebrew word translated “created” is the word “**Bara,**” (#1254; *Beth Resh Alef*) **Bara**; “*to cut down a wood.*” Let me offer; in the day of the writing of the Genesis account of creation; “cutting down” was associated with trees or wood. Truth is progressive. In the first century after Christ; men thought the Earth was flat and that every thing in the universe circles around the Earth. Do you recognize the effects of that kind of thinking, inherited genetically, from ancestors; MAN IS STILL PRONE TO THINK that everything revolves around him. In our time on God’s stage of uncovering; we who are exposed to radio, television, x-ray, microwave, cell phones, cat scans, etc. are aware that “to cut down” relates to reducing the frequency; turning down the volume or a thermostat. Will you allow yourself to ‘see’ that when Our Father’(s) created the earth and man and all that is therein; He reduced the frequency from the invisible to a slower visible frequency: Do you see that what we call blood could actually be “light”?

That thought introduces another very significant spiritual law programmed into the mind of the FORMED Adam. Genesis 2:19 records what I call the “law of perception”. The LORD God (Yehvah Elohiym) brought before Adam every beast of the field and every fowl of the air, to see what Adam would “call them.” In short; what ever he called them or it, that is what it is. This is possibly one of the most important facts of Spirit life, I can share with you. Our spiritual maturity is limited by this fact; what you call everything or anything; that is what it is. If you insist that you have a carnal mind; guess what? You will have a carnal mind; even though Jesus Christ in the finished work of the cross, abolished the carnal mind and the carnal man.

The carnal man is the man of sin that sets himself up in the Temple (the **naos**, Temple not made with hands) God's Holy Ground (The Holy Land) and declares carnality to be more powerful than GOD (2nd Thes. 2:4). No, no that temple could never be a man made physical temple in Israel. Paul spoke of a **Naos** (temple) the same word he used when he wrote; "**Know ye not that ye [your body] is the temple [the naos] of God?**" (1st Cor. 3:16)

Obviously, for those of us who believe that Jesus was the ultimate human being (the truth about man; whose life was the expression of the Spirit mind); conclude that our bodies were designed to function perfectly in the mind of Christ. We also see that a person who has experienced the cross and death to the old man, who has remembered that he was born of the Spirit, is responsible to "put off the old man, and be renewed in the Spirit of your mind." Put him away, my friend, for he no longer exists. Erase him, don't think about him and definitely do not talk about him. Don't continue to think about things that no longer exist.

The mind of Christ within you; "the single salvation template," has a River of Life flowing out; "makes the lame to walk and the blind to see, opens prison cells." The water flowing out from the inner most being is a Crystal River and it carries Our Heavenly Father's DNA/RNA, which is Clustered Crystals of Spirit 'Light' frequencies. Hope is knowing what you can expect Our Father to do. Jesus knew himself as *the water of life which eliminates thirst; and as the Light of the world. Christ knew himself as one with the Father. He knew that it was the Father within, who did the miraculous works. No one can "come" to that union with The Father without the same mind; the Christ mind.*

TRUTH NEVER CHANGES; BUT our under standing of Truth and the appreciation and application of Truth does change. Personal educational development, language changes, cultural changes and *spiritual* maturity all play a role in our ability to See and assimilate Truth into our life. His Divine purpose is to manifest the Divine Order of His Kingdom on this earth, in the visible dimension; first to develop His Life within us and then to express Himself as us. Father's life is already within. Jesus said so. We not only give His Life first place; we make His Life the only game in town.

When The Bible was written; first in Hebrew, then Greek and even until the time of the invention of radio, a river was known as a channel of flowing water. Today we recognize other forms of rivers. We are focusing in this article on *The Crystal River of Spiritual frequencies of single mind Christ energy; which flows continually through every artery, nerve and capillary in our bodies to deliver spirit Life to every cell, as spirit energy.* However, there are opposing *frequencies* created by a dual mind, when carnal memories interfere and block the flow of spirit life.

"I write unto you fathers because you know and were known from the beginning." I write unto you "fathers" because you are an "intimate" Christ minded person (1 John 2:14, 1 Cor. 13:12, John 17:23).

★★★★★★ **A 5-MINUTE HEALTH SEMINAR** ★★★★★★

The 70% water/plasma makeup of our physical body plays the same role within our bodies as the air plays in the atmosphere around our body. The trillions of cells, which make up the human body, are designed to live in balanced health according to the frequencies in the colors of the rainbow. The brain

of each cell is outside the cell, in the watery membrane which surrounds each cell. Interestingly the membrane around the cell (the brain of the cell), has saucer shaped 'antennas' (very similar to the 'saucers' on the roof tops of many houses) searching for signals (Frequencies) in the flowing waters of the 'blood' (light) and in the lymph fluids until they pick up the correct frequency needed. Then "the watchers on the wall" open the door into the cell. If the frequency is organic and natural, the nutrients and the oxygen create life energy within the cell. If the cell 'food' is man made, it is toxic to the cell because men use enticing fragrance and colorings, and 'patented' harmful preservatives. All manufactured products are harmful to the cell (which is God made) and have side effects.

Harmful man made ingredients 'ground' the electron in the cell; creating a 'free radical' cell. A free radical is parasitic, caused by the loss of the charged ion. Every atom seeks balance. An out of balance cell seeks to borrow 'oil' from one of the 'virgins'. Your body is a biological river of vibrating frequencies, continually moving and feeding and changing the cellular atmosphere in your body. (What we think does effect matter.) When we are bitter, unforgiving, covetous, vengeful, etc., those thought frequencies are contrary to the designed program of the cell and The Creator's nature. Every moment of every day you and I are constantly changing. The mind of Christ frequencies renew us, day by day. Any other mind produces imbalance. You cannot step into the same river twice; neither can you experience the same Anointed body two days in a row. Being Spirit Beings we were designed to be renewed day by day; The Desire or the Spirit within is to return and restore us to our true conscious spirit identity; in Oneness In Christ, and with El Elyon Our Creator Father. (They two are ONE. And We three are ONE.) Our goal is to learn how to defend and protect "our prepared body" from the carnal, mortal toxicity within the products and services manufactured and prepared by mortal minds. (Evil is live spelled backward.) We can add a positive charged ion by 'blessing our mortal food enemies' in the name (nature) of and in Oneness with the Christ mind. (Bless your enemies.)

The Christ mind produces Salvation Life in us as we weed out the false 'idea' of carnality. It is a restorative progressive work. Hold fast to your profession.

"In the volume of the book it is written of me: sacrifices and offerings Thou wouldest not, but a body hast Thou prepared me." Notice: He said; "**a body hast thou prepared me**", not prepared for me; but prepared me. "**In the volume of the Book**" the word volume in Greek is 'kapto' and the meaning is "to seize the head of the scroll". You should not think it robbery to seize Christ your spiritual head. **He is the "Head Light"** – "**a body thou has prepared me** – so that HE can become visible... first, TO me (Passover); then IN me (Pentecost); finally AS me, (Tabernacles). Your greatest treasure is your 'prepared' body. Without it you become invisible. Love it.

The Christ thoughts we think send rivers of electrical frequencies through the nervous system to every cell and to all the tissue of our body. We who have entered into spiritual covenant oneness with Christ have agreed with Him that our thoughts produce "Spirit life". Dual, carnal thoughts are toxic poison. Dual thoughts, according to the Apostle Paul, perpetuate 'mortality'. "**TO BE CARNALLY MINDED IS DEATH**" (Romans 8:6). Erase the carnal ideas, as quickly as you recognize them.

SO, let's you and I agree on who we are. OK. "**I was crucified with Christ.**" Everything about me

that was carnal died with and in Christ. I was identified with Christ as he took upon Himself the curse of every man that hangeth onto an Adam family tree. He who was not under the curse, became the curse that through death he could remove the curse connecting us to the two fruits. (We were all the 'two fruit' variety until the cross.) You and I were immersed into His death (death to the earthy Adam), all were under the curse of duality. When Christ shed the 'red' Adam blood, every one imprisoned in the concept, died. History was erased all the way back before the tree event. History was changed. Our true Identity began when we were raised, by the glory of The Father into Christ Union Consciousness, to even a place before the dual carnal flesh idea of separation. In His resurrection life I AM what I was before. I AM Spirit. I AM like my Father. There is no room in my thoughts for duality. There cannot be two different people living in Christ's body. I cannot be Ego flesh and Spirit – that is duality – two personalities. This body is no longer mine, as I once thought. I AM now living CHRIST'S life in a visible FORM. I not only belong to Him; I am ONE with Him. **"For Me to live is Christ."** His purpose was to make His Father visible; that also is my purpose.

"To them who by patient continuance in well doing seek for glory and honour and immortality, eternal life" (Romans 2:7). Be honest with me; have you ever heard a minister tell you to Seek Immortality? I haven't. Immortality is the Spirit part of Christ's Salvation. **"Now is the accepted time"** (2nd Cor. 6:2). The word 'time' is the word *kairos*, #2540; another translation of *kairos* is "set opportunity". Now is a good 'opportunity' to start to seek immortality.

★★★★★ **YOUR VOICE IS YOUR UNIQUE INDIVIDUAL 'CAPTAIN' OF SALVATION** ★★★★★

Your voice frequency and tone is like a snowflake. There are no two alike. The cells of our body are pre-programmed to be obedient to the frequencies and tone of our voice. You cannot think or speak without every intelligent individual cell in your kingdom instantly responding to your authority. When you laugh they all, 50 trillion cells laugh with you. When you cry, they all cry with you. Your cells are programmed to agree faithfully and loyally with you. You have been made Ruler of Nations of cells, composed of natural ions. You are God's Messianic prophet to your body. And each cell is a complete intelligent 'citizen' of your Kingdom and is faithfully obedient to your voice; unless or until you give some other person your power of prophet, you must speak as Christ. You must be single minded; speak to your body with firm certainty.

Your heart and your voice must be released from the crowd (cloud) influence. Your 'cloud' influence is your family's Adamic mortal DNA History. Your release from that powerful influence is your responsible personal faith. Our Father provided the Cross of Christ for release; but the benefits are not automatic, Your Faith is necessary. As with the Apostle the process of switching to the mind of Christ and only one Ancestor (your Father in heaven) is a work in progress. Dying daily to the Ego flesh mind and adapting the Single Christ Mind requires daily reckoning. Many people transfer their "voice" to another person by giving them power of attorney; giving them your 'authority' (attorneys, doctors, pastors, teachers, etc.).

CONSIDER MOSES; after receiving the Revelation on Mt. Horeb, of his "I AM" identity; Moses relinquished his Anointing to be the Voice of Hayah (I AM) to his brother Aaron, who became his prophet.

A Prophet is one who speaks in the place of another. So; Moses, as great as he was, never received “the promise” of knowing Christ within” (Hebrews 11:13, 39, 40). “**God having provided some better thing for us, that they without us should not be made perfect**” (Hebrews 11:40).

MOSHEH (Moses) never understood that the voice that spoke to him out of the fiery bush, was actually from inside himself. HE never understood that the voice he heard was the Word of God, The Christ; inside himself was the I AM within; and that HE (the ONE inside) was sufficiently eloquent and able to do all things. Do we? Jesus asked; “Canst thou believe?”

★★
NOTHING; outside of you can substitute for the Messiah inside of you; NOTHING
★★

WHO SHALL DECLARE HIS GENERATION? Isaiah asked. WE WILL! You and I are His Generation. We have been entrusted with the insight of the 42nd generation being the only generation of The Ascended Christ. (6x7) The Creator and His Son are Our Generation. They are our new creation Light DNA. His family tree is our Tree of Life. Any other family tree is under the curse of mortal sin and death. Cursed is every man (Adam) who was ‘hung’ on the duality tree. You do not have to hang on Adam’s tree. A new chapter of a new Book was begun 2,000 years ago. Start writing your history using the pen of a ready writer; your tongue. “**I AM**”

AFTER 4,000 YEARS OF HUMAN HISTORY; in the fullness of time, the physical manifestation of The ‘Individual’ Messiah, The Anointed Christ of God, came as the vocal authority of GOD, *THE WORD*; the SAME One who said; “**Let there be light.**” Messiah Jesus revealed the Truth. God’s Anointed Christ was then and is now Father’s Word. In His manifested role Speaking the Anointed Word, first to his own body, as a witness to the world, and then to the house of Israel (the Sons of God), and then to the entire World. Israel had first expected the Messiah to be a Levite Priest; then a Prophet; then a King; but they never, never, never imagined THE MESSIAH TO BE A SERVANT. Did you? He was and he still is. He will appear to the World through us (US) in the role of a servant; not as ruler.

★★★★★★ **JESUS WAS THE FIRST MAN TO INTRODUCE GOD AS SPIRIT** ★★★★★★

Have you recognized the difference in the phrase; “Christ in you” and the phrase “you in Christ”? “If any man be IN CHRIST he is a NEW Creation.) HIS Kingdom has and is come in the ‘unified’ field (One mind) where we understand that everything in creation interfaces “IN CHRIST”. HIS Will is actually being done now in the Spiritual Realm in Earth. Wholeness and Holiness is His Name and His nature. It is natural to live a life of forgiveness because that is His Nature. (Yes; Shoeless Joe, Iowa is Heaven, in CHRIST.)

Christ, in you, THE HOPE OF GLORY; became a living dynamic when you first believed. Being In CHRIST is your eternal life identity. You were One in Christ, from the foundation of this orderly arrangement; before you had form. You actually were One in CHRIST from the Beginning. You were

Sent by HIM. Being Sent confirms to you that your Earth appearance is a foreordained time and purpose event. This is and we are The New Jerusalem. When we came down from Heaven; we came because we were the Sent Ones “**that we may present every man perfect IN CHRIST JESUS**” (Col 1:28). Perfection concerns timing. “**But ye are come unto Mt. Zion, and unto the City of The Living God, The Heavenly Jerusalem, and to an innumerable company of angels, [we are sent] to the general Assembly and Church of the Firstborn, which [who] are written in Heaven, and to God The Judge of all, and to the spirits of just [righteous] men made perfect, And to Jesus the mediator of the new covenant, and to the blood of sprinkling, that speaketh better things than *that of Abel***” (Hebrews 12:22, 23, 24). This is Now and ever shall be, world without end.... He said it.

★★ **YOU ARE THE WHOLENESS (HOLY) CITY - THE HEAVENLY JERUSALEM; Yes YOU!** ★★

Look at the palms of your hands. Do you see the three deep lines that come together between your thumb and your fore finger? Everyone has the same lines. That design is the likeness of the 21st letter of the Hebrew alphabet, THE Shiyn. Those lines are also a resemblance of the three valleys (Kedron, Hinnem, Central) in physical Jerusalem. When you hold your hands toward the invisible dimension of heaven, you are declaring; “I am a heave (heave-n) offering. I belong to Heaven’s Purpose.” And you are saying; “I am the true Jerusalem, which came down from Heaven. I am come to this dimension as a citizen of my Father’s Kingdom and as an Ambassador of The Kingdoms of My God, and my body is His Kingdom’s Embassy. I claim all the rights of my true citizenship and trust the Divine adequate provision and protection from my Sovereign. I expect Him to give me favor with all men; what I set my hand to will prosper.” (What a powerful word, Mitch)

★★★★★ “**And if ye Be CHRIST’S THEN ARE YE ABRAHAM’S SEED.**” ★★★★★
And if you be the Seed then are you Abraham’s Christ.

Romans 12:2: “**Be ye transformed by the renewing of your mind.**” That sounds to me like there is *transforming* power in the spiritual mind of Christ. I believe that we change spiritual ionic energy into physical (visible) life without realizing it; like Jesus did out of the treasure of his store house. I believe that is what we do every moment of every day. But; when we call visible life carnal flesh; life is what we call it. When we call life Spirit; it is according to your word. In Christ, life is not carnal; cannot be. As you think in your DNA “heart so you are.” Christ thoughts produce physical visible Spirit life; in His own image.

★★★ **NOTHING YOU DID AS ADAM CAN ROB YOU OF WHO YOU ARE IN CHRIST** ★★★

The whole, the sum, the entirety of every thing is about frequency. The atom, music, color, human thoughts, the heart, the pulse, the senses, foods, minerals, speech, communications, all things are determined by ‘spiritual’ frequency. The beat goes on.

The Spirit of God has introduced us to an understanding of why and how the ‘natural’ mind is different to the Spirit mind; the mind of Christ. The Christ mind functions in the brain; but is not confined to the

brain. Just as in the individual cell, the brain is outside, we can reach into another dimension for information. In Christ we amaze the limited 'man' mind. We can live far beyond what is expected, dreamed or imagined. That means that we are equipped to move into a higher frequency of spirit energy, through the open door, into the higher mind of Christ. There is an open door in heaven. You can go higher. And as Paul said; you would be dumb and stupid and foolish, or just plain ignorant, to go back to the carnal, mortal, 'natural' Adam mind and live in the shadow of death, once you have been introduced to the unlimited Spirit of Christ.

You were released from the Adam; the red blood, carnal delusion into the Light. The history changing event at the cross, shattered the delusion. On that "great getting up morning," the Truth about Adam was awakened. Only the True Oneness Adam could rise from the grave of death. That is the Law of Spirit Life which is ALREADY written in the heart of your spiritual DNA.

The Apostle Paul gives us the model for transformation: **"For in this we groan, earnestly desiring to be clothed upon with our house which is from heaven: If so be that being clothed we shall not be found naked. For we that are in this [earthly] tabernacle do groan, being burdened: not for that we would be unclothed, but clothed upon, that mortality might be swallowed up of Life"** (2nd Cor. 5:2-4). In plain English; Paul did not want to lose his visible body.

It is most important to research the Greek word that the Holy Spirit chose for Paul to use "clothed upon"; Strong's #1909 and #1746; ***epi-enduo***, "to superimpose in the sense of sliding into a garment." This is the principle: It is the anointed ability to superimpose a higher frequency form of life upon the old nature. We renew our mind by superimposing the understanding of Spirit Truth upon the natural carnal Adam mind. We never dismiss the carnal mind; but we superimpose the victorious spirit of resurrection consciousness to replace the carnal mind. It's like getting on an airplane in the presence of gravity. The more you use the higher power of aerodynamics, the more confident we become. To superimpose is to give yourself a new image. The Salvation Message is like taking a good soapy shower and then putting on new clothing. It gives you a feeling of justification, cleanliness, and confidence. **"He gave Himself for us [that He might give Himself to us] that He might redeem us from all iniquity, and purify unto Himself a peculiar people, zealous of good works"** (Titus 2:14). What is iniquity? Iniquity is the inherited ancestral genetic DNA propensities of the old nature. They were removed from us at the Cross. Life in the Kingdom of Heaven works by faith. As Job said; "I've heard, but now I see." Do you?

When David, in Psalms 51, takes a good hard look at himself and records his thoughts, it registers a very deep argument; "I was shapen in iniquity, and I was conceived in sin." In other words, King David was protesting. I came into this world already shaped in my DNA toward being self-centered. The word shapen is the Hebrew word ***chiyl*** pronounced 'khood,' Strong's #2342; "to twist or whirl in a circular spiral manner, to pervert." This is a word picture of the DNA double helix.

David was bearing his heart. "In conception I was caught up into this whirling force, which pulled me into the propensity of a flesh consciousness which separated me from my Creator's purpose and of His covenant demand for righteousness. I didn't have a chance to be what I wanted to be." Isn't that

also the honest declaration of the Apostle Paul; “The very things I determine not to do, I find myself doing. I found in my members a law, that when I would do good, evil is present in me. I delight in the Law of God after the inward man, but I see another law in my members warring against the law of my mind and bringing me into captivity to the law of sin. Oh wretched man that I am, who shall deliver me from the body [pre-programmed] of this death” (Romans 7).

Thanks be unto God, Paul didn't leave us there. What can save us from the defeating power? “**I thank God through Jesus Christ our Lord.**” The Cross of Jesus Christ provides us release from iniquity; freedom from the pre-programmed genetic DNA propensity to the ego driven, selfish desires. The Cross of Christ is our door from faith into expectation.

I do not propose to be an Answer Man. My desire is to create in you a desire to seek your truth.

Special P.S. In the process of completing this article; I was awakened out of a dream at 3:17 on 3/17/05. I was told that Father's Grace had protected his 'Sons' from the ability to forget and to erase memory. He has retained that function for Himself and for Sons who mature to the level of Oneness with Him. Taking away our memory of the carnal nature prematurely would have the same effect as removing gravity from the earth. It would be disastrous to our assigned purpose.

I personally owe a debt I cannot pay, a debt of gratitude to Polly and Dianne, my Angels of encouraging support. Also for helps and insights from Mike, Allen and Irene. With their help we will continue this pursuit.
