## THE CRYSTAL RIVER (Part 5)

*Important: The Bible is a very PERSONAL handbook of life, and it is written as a parable or a mystery. If you were the only person on a desert island, the concealed personal message in the script-ure (script-your) (your-script) would be your Truth. All the pageantry, histories, bondages, wars, personal relationships, etc. are each an applicable parable to your life. The Bible is different from all other books.*

### LET US GO ON

In Part 4 of the Crystal River, we attempted to establish, Biblically and scientifically, that we have an intelligent brain in our heart, a more intelligent brain than the one in our head. So, we have two brains: one in our heart and one in our head. They work together through the principle of ENTRAINMENT, that is, when one is in obedient subjection to the other. The Scriptural record states that when man received the breath of life from the LORD GOD (*Yahveh Elohim*), man became a living SOUL (*Nephesh*). God's creative intelligence in man's **heart** was made subject to the soul. The Soul is the brain in the head (intellect, emotion and will).

When The Spirit of God opened our awareness to our mortal flesh dilemma of condemnation, through a new "birth", which is more like an Awakening, we were introduced to another MIND, the brain in our heart. Before we even understood it, we were awakened to the scripture; *"for with the HEART man believeth unto Righteousness"* (Romans 10:10). Also Romans 8:8; *"What saith it? The Word is nigh thee, even in thy mouth and in thy heart..."* (Deut. 30:12). The intelligence in the **Heart** was written or programmed by the Creator who knew His Kingdom plan. The Soul Intelligence was programmed by inherited genetics and educated by man.

Deut. 30:12; *"The Word is nigh thee, even in thy mouth and in thy heart"* seems to indicate that Moses, after 40 years with Israel in the wilderness, had become aware that the 'promised land' was not geographical nor something outside of man; The Kingdom is within Your heart and is a creative power in your mouth. This Moses Revelation came after he had struck the Rock instead of speaking to it, which later is identified as "crucifying" Christ a second time. How does a Prophet crucify Christ a second time? I believe it happens when we kill the presence of Christ in a believer by continuing to point out the failures of the flesh life and ignore the New Spiritual creative Christ power of the Heart. It has intrigued me that the early Roman Catholic Church was unwilling to admit that they were wrong about a flat earth, even after Galileo, one of their professors had verifying evidence of the round earth. Wonder why it is so hard for us to admit it when we are discovered to be wrong?

Volume 1, No. 7

From the Scriptures we understand that the brain in the Heart operates as a BELIEVING intelligence. The brain in the soul is a thinking, reasoning and emotional brain. When Solomon is quoted "*for as a man thinketh in his heart, so is he*" (Proverbs 23: 7), the word translated "heart" is the Hebrew "*nephesh*". Every other time in the Old Testament "*nephesh*" is translated "soul". So man thinks in his soul and man believes in his heart. Yeshuah (Jesus) said, "*out of the abundance of the heart the mouth speaketh*" (Matt. 12:34). And, "*by thy words thou shalt be justified, and by thy words thou shalt be condemned*" (Matt 12:37). If your heart is servant to the thinking soul, your words are condemning you to death. But when you make the Divine Mind of Christ in your Heart the Rule, your words are righteous words of life and peace (Justification). The rectification of the Heart/Soul entrainment is only accomplished through a epiknosis (complete knowledge) of the Cross of Christ as a PORTAL, where the last becomes the first.

**This chapter of the Crystal River flows out of the innermost being; out of the HEART or Mind of Christ and out TO those IN HIM who DESIRE ONENESS; and are devoted to identifying and understanding the roles PORTALS play in our newly discovered Spiritual Quantum Life. A spiritual Portal was opened when the atom was divided about 60 years ago.**

A CHANGE took place as described by Paul; "*We shall not all sleep, but we shall be CHANGED in a 'moment'*" (literally, in the "*atom*"). Our Spiritual Virtual Quantum Life is that place of conscious reality within, where the Father and His Son(s) find unity: the unified field.

#### **A CLOSER LOOK AT THE CROSS: AS A PORTAL**

**The opening of the atom introduced mankind to the invisible kingdom realm of the Quanta.** Foundationally, in our quest to press into the higher dimensions of belief, it is vital to identify where and when Christ, who knew no sin, became sin. Christ, who knew no separation from The Father of Lights, became sin. It is my view that Yeshuah, at the time of the Covenant meal (in the "Water-man's" Upper Room) made the transition from Righteous Son to Adamic Sin and gave up His unique relationship to His Father. He accepted the Adam nature of His Adam creation. (All things were made by Him. He came unto His own and His own received Him not. Christ knew who He was. He also knew that they were His inheritance – yet they were unable to recognize Him. Christ was willing to take upon Himself their inherited Adam consciousness of sin and separation from The Heavenly Father as His own experience.) He, who knew no sin, became sin. At that blood Covenant meal, He accepted Sin as the inherited, separated-from-God consciousness experienced by the family Adam in the Garden. After the meal, Jesus, Yeshuah, called the Disciples his "friends" as Abraham was called "friend"; Moses was called "friend"; and Lazarus was called "friend" (even before the Disciples). In Hebrew culture a person was not called "FRIEND" unless the two parties had entered a Covenant of Oneness and each understood the role of the partners. After the meal, the exchange was complete. This **IS important**.

**\*\*\* The Word "Hebrew" means "one who has crossed over." \*\*\***

At the Upper Room blood Covenant meal, which was a re-enactment of the Passover meal in Egypt 1500 years earlier; Jesus said, "*This is my blood.*" It was the Covenant blood of the unmated lamb placed on the door in Egypt — a symbol used to identify the conception of a

first born son. The blood was for a sign of a virginal hymen being broken. (Please follow this thought.) The Passover in Egypt was a re-enactment of the conception in the Garden of Eden. This is important to understand what Christ was doing at the cross in order to erase the history of one earthy Adam race and the initiation of a new creation Adam race. On the cross, Christ was male and female, just like the Adam in Genesis 1 and 2 and prior to the separation of his female part. On the cross He was complete in Himself, male and female. Those who were being birthed into His Resurrection Life are made complete in Him – male and female. In our Resurrection Life experience, we are born anew with our Heavenly Father's approval, "You are my son in whom I am well pleased." Romans 8, says; *"You are not in the flesh if so be the Spirit of God lives in you."* Our new mind "in Christ" operates with the awareness of our Father's approval at the unified field level of consciousness.

Jesus went to the Garden and then to the Cross. His experiences were as the first Adam. His response to the "Adam test" in the Garden, to find a way other than the Cross, was ***"NOT MY WILL BUT THY WILL BE DONE."*** Prior to that time Jesus had not known a "MY" will; he had only known His Father's WILL. **Very Important** (in my view): The blood Jesus shed on the Cross was the carnal-flesh-life-blood of the Adam formed of the Earth. His shed blood on the Cross was for the removal of the dominant Power of the carnal soul life, which is the flesh nature. *"The life of the flesh is in the blood, and I have given it to you upon the altar to make atonement for your soul"* (Lev. 17:11). (Compare Hebrews 9:22 and Hebrews 10:4, 5.) The shed blood of the sinless sacrifice (Jesus as Adam) erased from history the inherited DNA carnal nature of the dead, which separated Adam from the Life of God. **The shed blood of Jesus erased the Old Testament concept of the separated, independent, carnal, sin-consciousness. The Law of Life written in our heart in the New Testament—the Everlasting Covenant of Resurrection—remembers sin no more.**

There are many dimensions, but **in the Kingdom of the Fourth Dimension**; the only "Adam" is the **Resurrected Only Begotten** from the dead Adam. All the responsibilities, rights, and authority assigned to **THE FIRST BORN SON in the Law**, were **TRANSFERRED TO Christ's visible BODY on earth.**

The Adam who went to the cross was the sinless Son of Man (Adam) and He went to the cross as the father of the Adam race; **the father of all men born of woman.** If you were a "born-of-woman" person and now know Christ in His resurrection, you are a New Species; you are released from your "born-of-woman" status. Like Christ; you are something different on the Earth. You have come into your original identity **IN Christ.** You are now a **living life-giving Spirit.** You are **One in HIS Body**; One who was with Him before the foundation of the Earth. The Holy Spirit came upon you and the **POWER** of The MOST HIGH ELYON overshadowed you. **You are a new kind of Father's image** on the Earth; a Spirit-born Spirit. **Romans 5:10** puts it in perspective: *"For if when we were enemies, we were reconciled to GOD by the death of His Son, **much more** being reconciled, we shall be saved [are being saved] by His resurrection life"...* by His 4th Dimensional Life Presence.

**\*\*\* If not now , when ? / If not me, who ? / If not here, where ? \*\*\***

The eighth day of **Tabernacles** is a fourth dimensional experience. The life Yeshuah lived, beginning at his baptism by John in the Jordan River, was a physical, visible expression of **life in**

**the fourth dimension. He was in the world and He changed the World.** The Biblical design for the anointed Christ life (Christ in you, and You in Christ) was and is **LIFE in the fourth dimension.** This Chapter of the Crystal River concerns how we find our personal “Portal” into the experience of higher Kingdom Dimension(s).

In the Book of Tobit, in the Apocrypha, the Angel Raphael taught Tobias to make a potion of the gall of a fish to apply to the blind eyes of his father Tobit. Tobit’s eyes were healed. Today we know that for two thousand years the symbol for the “organized” Church has been the “fish”. I propose that the bitter gall of the Church System has been **postponing** the Spiritual fourth dimensional experience to some other place and to another time, after another event — after physical death. All we of the old Adam race were born blind to our true spirit life. **Raphael** is the Angel assigned to the ministry of the power of “The AQUARIAN water” of the pool of Siloam (the pool of “Sent”) to **OPEN BLIND EYES (to God's Kingdom)** not some day — **BUT NOW. If NOT NOW, WHEN? If not you, who?**

When Moses struck the Rock, the event was a prophecy pointing to the time of the Age of Aquarius. The Earth was ushered into the House of the Waterman Aquarius. On May 5, 2000, the earth moved into the Aquarian Age. Since that time everyone, everywhere on the Planet are focused on good clean water. That is evidence of the human quest for a better life. The Angel Raphael is identified in the Book of Tobit as the son of Ananias. Is it not interesting that the Apostle Paul’s eyes were opened when he was anointed by Ananias?

From my view (since I see every story in the Bible as a personal parable) Peter, the leader of the early Pentecostal Church, was involved in the death of the one who symbolizes opening blind eyes, whose name was Ananias. When Moses struck the Rock a second time, the Rock was actually within the people who had drunk the water from the Rock. Jesus addressed this when He said, *“The water that I give you is the Holy Spirit.”* Christ was the Rock who followed them in the Wilderness. We know today that the mystery of water is that water has a memory. The Water which flowed from the side of Christ at the Cross, contained the memory of His role in the Creation.

John 17:20 and following; paraphrased: *“That they may be ONE; as thou Father art in me; and I in Thee, that they also may be ONE in US. I in them, and Thou in me, that they may be PERFECT in US As ONE, that they also, whom THOU hast given me, may be with me where I now AM....”* When is this to be?

*“From the days of John the Baptist until NOW the Kingdom of Heaven suffereth violence; and the violent take it by force”* (Matthew 11:12). “NOW”, “TODAY” is a Portal.

Now is a Portal into the 4th Dimension where time is always now. *Now is the appointed time, Today is the day of Salvation; NOW and TODAY are DOORS through which you ascend into a NEW TIME zone. This you can do now in your “Believing” Heart.*

---

I believe that the Church of the Pentecostal "40 Jubilee Era" (2,000 years) teaching, i.e. you must give up your physical body to GO to the fourth dimension heaven, has kept sincere believers BLIND to the reality of the Kairos factor. **Kairos (time) is a Greek word, #2540 in Strong's Concordance, and means an "occasion"; always an OPPORTUNITY.** Is it automatic? No! **Kairos time is a Kingdom principle. You must VIEW or perceive every event as a Spirit – designed OPPORTUNITY.** When you apply the reality of NOW (Now Faith), to your spiritual eyes, The Spirit of Truth will make known to you the Today, present-tense fact that The Kingdom of Heaven is within... NOW and Today are present tense Kairos **Doors of Opportunity to higher levels of Spiritual understanding.**

**References:**

Luke 12:56; "Ye hypocrites, you can discern the face of the sky and of the earth; but how is it that you do not discern this time?" (*kairos*)

John 7:6; "Then Jesus said to them, My time [*kairos*] is not yet come: but your time [*kairos*] is always ready."

Revelation 22:10; " ...seal not the savings of the prophecy of this book: for the time [*kairos, opportunity*] is at hand."

The Age of Aquarius, which officially started on May 5<sup>th</sup> in the year of 2,000 AD, also introduced the Ministry of Raphael, to **open our eyes** to things hidden for ages and generations. He is opening our eyes to the **Portal** aspect of the Cross of Jesus Christ. We are beginning to see that the Cross of Christ was not only a place to end the dominating power of the Ego driven Adamic flesh nature. Baptism is the act of death and burial; but the Cross was also A "PORTAL" (an open door) to the higher fourth dimension. We are His presence IN THIS WORLD, and as His presence we are NOT of this world. Our presence IN HIM is a fourth dimension reality experienced with a **believing Heart**. **It becomes your reality when you believe with all your heart.**

My friend Art Hawkins, by many hours of diligent research and prayer, has been shown that when the Nation Israel, with Moses, crossed the Red Sea on ***dry ground***; and also when Israel, with Joshua, crossed the Jordan on ***dry ground***, that they experienced a Portal into a 4<sup>th</sup> Dimension experience. The word "dry" in Hebrew is the word "***CHARABUAH***" which introduces the idea of another dimension. The definition in Strong's is the same as the word "**Zion**" (**Tsivown**): "**an arid, hot, parched, dry, wilderness.**" This may explain how three and a half million Israelites and their wagons and cattle could ***crossover*** in twelve hours of darkness. It was a supernatural and dimensional Portal event.

Jesus was baptized in the Jordan River, at the very same place where Israel and Joshua crossed the Jordan. He elevated the place (by the experience of baptism) into a 4<sup>th</sup> Dimension reality. And there Jesus (Yeshuah) ***entered the CHRIST life***. From that point of being announced as "***this is my Son***" until the Covenant exchange in the Upper Room at the Passover meal with the twelve representatives of Adam as Israel, He walked in the power and reality of the ***NOW Portal fourth dimension***. Up to the point of His Covenant

exchange with His Disciples, He who had known no separation from His Father's WILL, took upon himself the natural Adam consciousness of sin (separation). Jesus became the federal representation of the third dimension flesh Adam. When he died on the cross, the record of every descendant of the flesh Adam was erased by the power of **believing**. **The record of every Adamic person was erased**. So: every person who accepts CHRIST'S Resurrection Life as their own life, becomes a new creation. You cannot have faith in something you have never heard; but NOW you have heard. Now Faith is HOPE and is the GLORY of AGAPE .

## **Raphael and the power of the Cross Portal**

I believe that Raphael (Rapha-El) was the Angel responsible for the Ministry of the Laver which contained the Water from the crucified Rock. Christ is the Anointed Word of His Father's Approval. The Father's Approval is the ROCK, that “followed Israel in the Wilderness” (1Cor. 10:4). Notice: He followed them. He follows each believer until we Ask Him to LEAD. He could have LED them, but Israel who at that time could only relate to Messiah or God outside and elsewhere, were not able to elevate their awareness into another dimension. Now we have been ushered into another level of Spiritual Faith and understanding, to a place of more responsibility because of the knowledge now revealed. Have you given Him the power of attorney to lead?

The water from the rock, in the laver, portrayed the power of the Rhema WORD to cleanse the believer from all unrighteousness. We have the written record, *“You are sanctified and cleansed by the washing of water by the WORD (Laver)”* (Eph.5:26). We are NOW in an elevated position to believe beyond our ancestral patriarchs, even beyond Enoch and Elijah, even beyond Abraham, Moses, David and Solomon. We are the new creation of the fourth dimension; the Kingdom of Heaven in Earth. A greater than Solomon is here.

## **Revelation of the fourth Dimension is the beginning of YOUR Miracles.**

The Portal at the Red Sea introduced a fourth dimension “Boot Camp” for Israel; a spiritual school. Israel did not complete the training because they never learned to practice *“in everything give thanks, for this is the will of God.”* They continued to look outside of themselves for the Messiah who was within, and for His Kingdom, which was within, to be geographical. Many believers still today are looking outside for some event that will change them and cause the Kingdom to come ON earth, still calling a place in the Middle East, the “HOLY LAND”. Dear friend; it can never happen from the outside. The Holy Spirit ALWAYS works from the inside. Let me tell you, from my perspective, any prophesy which predicts an event to re-occur based on an Old Testament history, simply perpetuates the Old Testament mentality and blocks the fourth dimension kingdom from 'be'-coming your experience. We are the Holy City; we are the New Jerusalem NOW ! **Not some day. It is a Kairos opportunity and up to the believer.**

## **The fourth dimension is a BE- attitude consciousness process.**

If your Cross / baptism / resurrection / experience was not a **Portal** experience into the fourth dimension; you should re-visit that experience and up-date it based on the new Quantum Virtual understanding of time and space and of energy and matter. (The “lowest” Virtual Quantum level, according to NASA, is where all energy in the universe unites.) Biblically; it is

where the macrocosm and the microcosm create a unified field; it is where the inside becomes the outside; it is where the male and the female become one; where yesterday and tomorrow are today. The Quantum Virtual Reality is where the Father and the Son become ONE, as YOU.

Science has been given a NEW understanding of "Spirit" with the introduction of the Quantum level of life energy. Spiritually; we are responsible NOW to go beyond elementary wisdom (belief in GOD) and move toward developing discernment and understanding. We are not allowed by God's Spirit to remain as little children. We must grow up into Sons and to be placed (adopted) by the Father and become a "One with the Father Creative co-producer"; an expression of AGAPE.

The entire Bible is written in the form of parables and all the stories are your stories; stories applicable to you mind and heart and body. The spiritual lessons in the Scriptures are so personal and so individualistic that if any one of us happened to be the ONLY person on earth, the Bible would still be the Truth. Actually IT would be your Truth. The only way the Kingdom of Heaven can come upon Earth is to first become realized within your visible physical body. How can this be? It is my view that it is most important to recognize the difference in "creating" and "forming", and to understand that in this three dimensional world, life is perpetuated by the power of opposites. The creator told Isaiah *"I create darkness and I form light."* (I create the raw material and I form light as the product.) Allow me to postulate. The invisible Father creates the dark energy and His Son forms the end product as light. The Son, (the Christ) functions as the Finisher; or we could say the Completer. The Father is incomplete without His Son. That is why the Son is the Messiah. He gives tangibility to The Beginning by being the End product.

**A KEY PRINCIPLE:** *"Of men born of woman there has not risen a greater than John the Baptist."* John had said: *"I am not worthy to loose the latchets on his shoes."* Is Jesus saying: *"I was not born of woman?"* I personally believe that this is a very important factor to see in preparation for the development of our individual Kingdom experience. It is one thing to see the Messiah (Son) in someone else (even Jesus) and another thing entirely, to see The Messiah Son in your own self. Agreed? We know that Jesus said, *"I am the True Bread that came down"* from above, from another dimension. We know that He was in this world, but not of it. At thirty years old he presented himself to John for baptism. If you understand that baptism is a parable or symbolic ritual of burial; of entering into a death, the cessation of one kind of life and the resurrection into another form of life, I think you can appreciate that Jesus, at his baptism burial, was surrendering his identity as Mary's son (man born of woman). A few days later he said, at Cana; *"Woman what have I to do with you."* He introduced the Truth of SPIRIT LIFE, which originated above. *"My family are those who believe what I believe"*, he said. My friends, this is vital to the understanding of how we enter into the Messianic life, or the Christ life or the Anointing. Without embracing this Parable as our own truth we are disqualified from being a New Creation. We must understand that to be born from above places our identity as "IN Christ" before we came down from above. There is one whale of a difference between "Christ in you" and "you in Christ." We were His Inheritance in another dimension and another Age. When He asked the Father for His inheritance He was asking for us. The Baptizer only knew Messiah as another person. He (like Peter) only knew the Messiah as The Christ in Jesus. I'm afraid that many (maybe most)

Christians only know the Messiah as another person, somewhere else; and are waiting, just like the Jews, for Him to come and rule. Messiah's first purpose is to be made Ruler in the hearts of His Body. He is still claiming His Inheritance today. (Number 18:20).

***“LET THIS MIND (ATTITUDE, UNDERSTANDING) BE IN YOU, which was also in Christ Jesus” (Phil. 2:5), [who Came down from above, was One with the Father, humbled himself, became a compassionate servant, has visible life only through His Body].***

In the higher dimensions, where there is neither male nor female, the **nature** of male and female is portrayed by authority and submission. Yeshuah always kept Himself in submission to His Father's will, so he was given a feminine name or nature. Each name ending in “ah” identifies a Hebrew name as feminine. Like the Hebrew word “Ish” is for man and “Ishah” is for woman, “Yeshuah”, Isaiah, Jeremiah, Obadiah, etc. – all are symbols of “submission”.

Mary was told, *“you shall call His name Yeshuah”* (Jesus in English). The word “Name”, in Hebrew, is “Shem” and in Greek “Onoma”– both forms mean the same: nature and character. Jesus said, *“What so ever you ask the Father in my onoma or in my Shem; He will do it.”* Do you see? You can know His name without **knowing** His Nature or Character. You can even call upon His name without calling as his Character. I have prayed in His name; “Dear Jesus or Dear Yeshuah or Dear Christ” and I at that time did not know His Character and Nature – but now I know he would have said, “Do I know you?” *“There is One Name, given among man whereby you must be saved.”* Or , to say it better: *“There is one nature and character whereby we must become Salvation.”*

You shall call his name “Yeshuah”, for he shall save his people from the Adamic idea of separation or the sense of disconnection from the source of life. There is no other name (Nature) given among men, whereby YOU might be saved (experience salvation.) And there is more to his name. The Bible definition of Yeshuah is “Yah's salvation”. Yeshuah is a compound name made up of Yahweh (YHVH) and Oshua the Hebrew for salvation. Oshea, the word for salvation; was the spy from the tribe of Ephraim, one of twelve to check out the Promised land. He is always identified as the son of Nun (in Hebrew NVN; defined “to be perpetually **now**”). He was later chosen as Moses’ servant and his name was changed to Yehoshuah or in English Jehoshuah. The name means, according to Strong's, “saved, deliverance, aid, victory, prosperity, health, helping, welfare”. People ask me, “Are you saved?” I say, I'm working on it. I know it is inside. I'm working it to the outside. I'm working OUT my salvation. I expect *“the inside to become the outside.”* (The Book of Thomas 93:30) Might I ask you a question ? Is Yeshuah Yah's salvation ? Or can I ask; is Yeshuah, the Son, the salvation of Yah ? The Father does not come into completion or visibility in this dimension without His Son. The Son gives form to the Invisible Father. The Father creates and the Son gives form. Neither is complete without the other. *“Beloved, NOW are we the sons of God; but it does not yet appear [have form] what we shall be”* (1 John 3:2). I propose that it has always been The Father's plan for Salvation to be the work of His younger son. Are we about ready to give the Father’s Kingdom visible form? I believe we are. I have accepted that this is HIS time, Kairos. Jesus said, **“Your time is always ready”** (John 7:6).

## **This is a Wake-up Call!**

For the past three score and ten years, our generation has been medically and psychologically subjected to an overdose of “make-believe”. The powerful influence of Hollywood and Madison Avenue has manipulated our brain to believe what we see with our eyes on the movie and television screen. They have deceitfully programmed our imagination to play with evil fire. We became so receptive to their subtle mind games, that modesty and chastity have become old-fashioned.

We have spent far too much time being entertained by a make-believe world. We have been so brainwashed by the power of advertising, that we have given more and more interest to things that satisfy and tantalize the carnal fleshly appetites: like food and fun and lust. The sacred has become a sacrilege. The psychological manipulators of Madison Avenue have, by deceitful advertising, turned the generation gap between the wisdom of white-haired grandparents and the “cool” computer generation into a Grand Canyon!

What has happened to our present generation is that we have unconsciously given more and more authority to the carnal appetites of the soulish brain in our head. We have slipped into a nightmare of overweight, obese gluttons for food, fun and sex. We have become prisoners for what is shiny and colorful and attractive and in bondage to sugar and pharmakeia (witchcraft); things that look good, smell good and tantalize.

We have experienced the reality of Johnny Mercer’s song about a “make-believe world”: *“It’s a Barnum and Bailey World, just as phony as it can be, but it wouldn’t be make-believe...”* if we could return to the Messianic-Christ-Anointed Call upon our life. We must learn the power of believing with the heart. The heart reality is the most challenging and exciting adventure that we, or our youth, will ever hear. We are so very blessed to have had the Spirit of God awaken us to the Spiritual power of believing with the heart.

## **Light GIVES FORM TO THE DARKNESS. WE ARE THE LIGHT.**

It is my view: that it has been THE FATHER’S PLAN from the very beginning for His SON to become the Salvation of the Father. Much more is to be said about our Son relationship. So here we are, perfectly positioned, expecting our PORTAL to open. It is impossible to ascend into our “joint heir” position until Our Father’s timing. The PORTALS are not always open. We very obviously are in some sort of transition time. Getting into one accord seems to be more difficult today, which could be a good sign in view of our having more knowledge. But, we are cautioned by our LORD not to look for a sign. Start believing with your Heart – start now, start here... it all starts with you.

## **A PRAYER:**

Lord: I believe; I believe you have written your Law in my heart. I will meditate on your laws of Resurrection Spirit Life, day and night. I will trust your Holy Spirit to guide and instruct me as I learn to follow Your Law which you have so graciously revealed in my heart. ABBA Father.

MY special expression of gratitude to those who have made these materials possible. My 1997 Covenant was that as long as funds verified Father’s approval, I would be privileged to write what His Spirit provided. Thank you, thank you.

On April 11, 2004, in a dream, I was introduced to the Angel Raphael. At the time I did not know his name. I was guided to the Book of Tobit in the Apocrypha. There I discovered the healing ministry of Raphael and the family of Ananias. Being aware of how the Spirit had worked in our life, we understood why, 20 years ago we became interested in and studied the health processes of the human body.

Four months ago, another friend made us aware of a new “miraculous” Quantum level therapy, where he and his family had quick and unusual relief from a variety of physical challenges. Later by personal investigation, in less than one hour Polly experienced complete relief from a four year old aggravating degenerative knee problem. A few weeks later she experienced unbelievable relief from a broken rib in 15 minutes. Further therapy has dramatically restored a hearing deficiency.

Research has shown that the Quantum Level Therapeutic Equipment was developed as a contract program with NASA; but the program was dropped due to a funding cut. After 30 years the developer made the Q. Equipment available. Amazingly, the Quantum level design is not limited by distance. We have met Therapists who are interacting with clients, effectively, hundreds of miles away. We have interviewed dozens of people who are enjoying relief from a wide variety of conditions after perusing other remedies, in some instances, for years.

Since Polly and I are approaching retirement age; most of our acquaintances and friends are suffering from degenerative conditions. I am continually aware that too many seasoned Senior Body of Christ are giving up their physical presence. I do not want to miss an opportunity to be of help in this dilemma. The investment is sizable and beyond our ability. I have never done this before; but I am led to test the waters and ask those who read this material and might be led to partner in this kind of ministry; would you contact me. I can provide you with details as to how we could provide world wide ministry on a donation basis. I trust Father’s Spirit to show us if this is His Portal into a 4<sup>th</sup> Dimension Ministry. All contributions will be tax deductible. Call or write if you are led. Let us go on.... Rudy Jones
