

*...A continuing treatise from Rudy Jones*

## THE CRYSTAL RIVER (Part 6)

Important: *Your personal ascension begins with a quantum leap from faith into an unexplored dimension of expected and unexpected discoveries; remembering and rediscovering and expanding the creative adventures of being The Father's divine imagination; for Good. We are the most privileged and most responsible generation; the first to know about quantum science, relativity, holograms, subatomic particles, ageless photons, micro chips and DNA.*

### LET US GO ON

The ***Resurrection*** of Christ was a QUANTUM EVENT. His Resurrection created a New quantum dimension on the inside of His new visible created corporate body; that was when the ever expanding universe was captured in a spiritual mini micro chip and planted in the spiritual heart of the human cell. The new heart was the Seed promised to Abraham, and the Seed was Christ. Christ was the resurrection power that Abraham expected. The unexplainable event happened every where and for every one simultaneously. The new hidden Christ person is at the Quantum plateau of NOW and TODAY dimensional level of life where NOW Christ and His Resurrection is hidden in man.

His mind is the new and living potential for everyone; but of course unknown in His day. The resurrection of Christ introduced a brand new quality of human experience called in the Bible "A New Creation". This new kind of overcoming victorious eternal life was and is only available in your spiritual Heart of Hearts. This Creative energy operates as God's kingdom where the thoughts and intents of the heart are governed by the laws of spirit life, where the least in the Kingdom is the greatest; where the last is the first and where the servant is the Sovereign.

This new creation experience functions out of the Law of Spirit Life which is written in micro chip Quanta energy form, in the human heart. This hidden law of life is functional under the direct-ion of the Holy Spirit of Love. (Not by might nor by power but by my Spirit; saith the LORD: which is only understood in the heart of a servant.) The marvel of this puts in perspective the words of The Messiah; "Only the Father knows the time of the coming of His Kingdom on Earth".

Only the Father could declare the End at the Beginning. Only He knew when the Remnant Sons, under the spiritual flow of energy from the Aquarian Water Man Constellation, would discover a Dimension of Spirit called Quanta where everything is in union and operates in the present tense power of Now. His Sovereign Will was not to suggest a particular point in time; but to an appointment for divine experience, when His image Son (His corporate Melchisedec Son, The Corporate Righteous Servant King) is able to perfectly express His revealed Kingdom Laws of Life in their Earth; first as an inside work; then when the inner hidden man of the heart becomes the

A Pelegram...

Volume 1, No. 8

outside and the outside ego driven flesh becomes the inside submissive elder brother. Thomas was called “*Didymium*”, the twin image, by the Messiah. I propose that it is the Messiah’s plan for every joint heir Son to be His twin (mirror image) and to be able to say; if you have seen me you have seen the invisible Father; and to say from the heart; “It is THE Father who does these works”.

Have you become aware that we are now in The Waterman’s Upper Room? The frequencies of His Presence in the heavens produce the upper room conditions which were made ready; prepared for the purpose of conferring upon the New Creation the nature and character of our Father and His Son; the Truth about Cause and Effect; positive and negative, and light and darkness.

The QUANTA is virtual. It is the foundation of all energy and matter; it is always present tense and is the connective tissue, which joins all living things in oneness. The Quantum *resurrection* can only be understood in the *belief center* of the spirit heart. The spiritual heart is not a place of thinking; it is the place of believing, the place where the written Law of God reveals my own true nature; it is revealed by the circumcision of the heart. The spirit heart is the *Virgin* in every person. The sperma *Word of God* penetrated your virginal most holy place; it happened when you were seeking Him. It is only when the Soul Bride desires to be Entrained in submission to the Spiritual Son of the heart, that a person can experience the Law of Spirit Life which the Father has written in the heart. The natural man’s mind cannot receive nor understand His sperma word; for His Words are Spirit. Our spiritual growth and development begins after spiritual conception is produced by his Word. As we eat the true bread (His Body), which came down from Heaven, we experience the maturing of the Christ fetus in us. The ultimate goal is to birth the Christ in us as the new man. The purpose is to give visibility to our own New Christ and His resurrected Nature. Jesus was born of a Virgin and so were we. Father’s son is only born of a Virgin. His Word was received in our Heart, which is the womb of a Virgin. The Virgin heart produces her first born.

We have had a problem experiencing and manifesting the new creation life; because the dominant old time religious dogmas perpetuated the idea that the Messiah did not finish what he came to do. As a result, we have now a Jewish branch of the Church still waiting for the Messiah to come; and we have a Catholic and many Gentile wings of the religious Church waiting for Him to come back and finish his work. Did He finish his assignment? Of course he did. You know what? He’s waiting for us to wake up to that fact.

**GOD’S SON IS BORN OF A VIRGIN...** You are God’s Son.

A Virgin only has one first born. The barren Earth only had one son who, in oneness with the Father’s Glory, came forth from the dead womb and manifested a quality of Isaac life, which Abraham had only as a figure. This is truly a new day. From the offering of Isaac until now is another “fourth day”. Christ’s first advent was a fourth day ‘from Adam’ event. Could it be this fourth day? Of course! Your spiritual birth was a Virginal event, right?

The Original Earth aspect of You (the Adam you) born of woman, was of the earth earthy and mortal. The mortal You died with Christ at the cross. When Christ, the sinless Adam, in the upper room, at the table, took upon Himself the sin of the world (He who knew no sin; became sin). When you understand the dynamics of that event and personal significance of the cross, you

will know that the appointment of “once to die”, was kept at the cross. It was a quantum event. (We must focus on the Jewish problem of “their table becoming a snare and a stumbling block”, because if we don’t understand the dynamics of the communion table [Lord’s supper] it will also cause us to stumble.) Romans 11:9

When at the cross, Christ shed Adam’s blood, He erased the Adam mortal history of man all the way back to the sinless garden. The True you, the hidden spiritual man of the heart, the YOU, who was born above and who came down from above, woke up and stood up in oneness with Christ in His resurrection power. It was a Quantum Now Event. You really are a NEW Creation. When Christ ascended into heaven, he ascended into a higher heavenly dimension; **inside of man.** The only reason believers do not know this truth is that they have been taught that there are things the Messiah must still do; and a place you must go to. Not so! John wrote that Jesus said; “I am come that you might have life” and again “Behold, I come quickly”. The word ‘come’ is *Erchomai*; Strong says *Erchomai* is; “always present, imperfect tense”; never used as future. He will become visible again, in us, when we ascend into His ascended position of all authority. It is then that the Kingdom of Heaven will come inside our earth and be manifested; (*Parousia*) that is, to be made visible.

\*\*\*\*\*

**The highest heaven is not some where in outer space.  
The Highest Heaven is within the heart of man, the throne of God.**

\*\*\*\*\*

The New You is a manifested Spirit. You are no longer in flesh (Romans 8:9). The new person is the New You who was born above. You were born as spirit before the foundation of your earth experience. The Spirit of YOU was hid with God, IN CHRIST, before you were given a flesh body. When you were born of woman, the shock of birth into the carnal nature took your spirit breath away and left you trapped in your mortal three dimension sense world until The Holy Spirit revealed the nature of Christ within you, as your Truth. That revelation began the Spirit’s process of helping you Remember who ‘I AM’ really is. In the beginning Christ was your life; was then and now is. Your first life is your last life. Father’s end is your new beginning.

In our truth identity; our origin was life in the 4<sup>th</sup> Dimension of Pure Quantum POTENTIAL of Creative Spirit. We were all “the dead in Christ” until our awakened resurrection awareness was given life. We began to remember our true life was Spirit, born above, and that our destiny was to be servant priests... trained to minister Life to the world. Giving up our born of a woman status and focusing on our Spiritual roots, opens our eyes to the Messiah Christ Spirit Life as our true lineage. We are that “train” which fills His temple. Spirit life in this 3<sup>rd</sup> Dimension realm is identified as life, which is grown from a root. Jesus Christ was identified as the son of David. (Remember Christ is our New Spirit Life.) King David’s father was Jesse (*yishay* #3448/#3426, the Hebrew word *yesh* means “to exist, to be, to have entity”). Jesse means to extant, i.e. “to be produced from a root, or to be grafted into a root”, according to Webster. Jesus is the root of David and also the offspring of David (Rev. 22:16). The anointing of Christ was upon David’s father Jesse and also on Jesse’s David. Our spiritual roots are in Christ, the root and the branch.

Also; the English name Jesus comes from the Hebrew name Joshua. Joshua’s dad is identified as NUN. Joshua, the son of Nun, which is #5126, *Nuwn*), means “perpetuity, to resprout, to propagate by a shoot (root)”. Joshua was the identifiable type of Messiah in the old covenant. His father was life that is perpetual. And Jesse, the father of David means the same, to express life by or from a root. Life from a spiritual root is drastically different than life from a seed. One is spiritual, the other is organic; of the earth. Nun, the father of Joshua and Jesse, the father of David, are like road signs to help us find our way to the perpetual life of Christ.

Our faith comes from the seed of God’s word; but our Life comes from His Spirit Word. For 2,000 years our problem has been the same problem Jacob had. When he was informed that his true nature was Israel from above and that his name would NEVER again be Jacob; we, like Jacob, still have thought of our self as a flesh person. He was still referred to as Jacob most of the time in scripture. We understand from Jesus that Jacob was and we also are a manifested Spirit, the Son of THE Living Father. Jacob’s spiritual life and our spiritual life is Christ. The problem is that what you call yourself is what you are. We have been deceived into thinking that we are flesh; but the scripture says that we are Spirit. And the Spirit person was born above. Christ, through His corporate body, is a visible physical manifested spirit. The purpose of man the Son, WAS and IS NOW to give visibility to the invisible GOD. Jesus, as Light, gave Light to the Father who was hidden in darkness (Invisible). The “body of Christ” is the physical visible manifested spirit light; the Christ. That is what we have been, as the 42<sup>nd</sup> generation at the spiritual Quantum dimension, all the time. “Let your light so shine”, “Arise and shine for your light has come, and the glory of the LORD has risen upon you”. Do you believe that?

I have found, that all life emanates from the Secret Place in Quantum called Virtual, where the dark invisible energy is 100% potentiality. Ninety seven percent of the universe is scientifically identified as dark matter; totally potential. Our own thoughts and intents determine whether that Life Source is expressed as God’s Love or as darkness; as sweet or as bitter waters; as good or as evil; as light or ignorance. Christ knew that his Father was the ALL resource. “It is the Father in me who doeth the works”. He was the Father’s Salvation. He brought the darkness to LIGHT.

Our physical visible body was designed to give us identity in the light dimension. And our behavior as a visible person is the product of our soul. Our living soul, or life and behavior producing soul, was born into this dimension consciously separated from God, the Origin of Life. We have learned that our visible body gives us a very organized and sophisticated visible expression of 70 trillion cells (give or take a few million). Within the last one hundred years, with new and more powerful electronic microscopes, science has found that the trillions of cells are actually each made up of multiplied trillions of atoms; functioning as a super invisible organized energy. We are actually spirit life. Our soul must submit to the mind of Christ in our heart.

Now, guess what? More sophisticated microscopes, operated by more sophisticated physicists, have found another level of living energy, which is the life of the atom and is called Quantum. A single Quanta is millions of times smaller than an Atom. They have found that the invisible Quantum universe; like it’s visible macro counterpart, is a universe of dark creative energy. That realm of pure potential life, is given identity and constructive visibility by human words. When

given physical expression, through the realm of the atom and visibility through the human cell, the quanta becomes what it is by “what you call it”. Your Christ responsibility is to call IT good.

It is important for us to understand how to ‘entrain’ our soul in submissive obedience to the Father’s law of Spirit life, written in our heart as Quantum energy. The human soul is the RNA factor in the law of Life as Spirit DNA. Our heavenly father said, “Out of Egypt have I called my SON”. The verse quoted by Matthew is from Hosea 11:1, and the word ‘son’ in the Hebrew is *‘ben ah’* and means “to build”. The word ‘son’ used by Mathew is the Greek word *“HUIOS”* and identifies a SON who has come to maturity; or one who has been built into a mature Son. The word Egypt (*Midriam* in Hebrew) is the definitive word for a place enclosed or “boxed in”; a place with established boundaries, and is also referred to as “an iron furnace”. How in the world does one get out of the box; out of the torturous iron prison of mortality? We can learn from Israel’s historical mistakes.

Moses and Israel obviously did not enter into God’s Promise (Hebrews 11:13, 39). They, along with ALL the O.T. Patriarchs ended up in “Chapter 11” awaiting re-organization. None of the Old Testament Faith Patriarchs received the promise; i.e. the insight into the presence of the Messiah and Father within. That inside insight can only be achieved and experienced by a person who still has a physical body; a person who still has an inside dimension; an inside or hidden secret place. Your secret place is the virginal heart womb of God’s Spirit.

\*\*\*\*\*

**Wholeness and Health is a 4<sup>th</sup> Dimension Quantum experience.  
All health or wholeness originates with and is first spiritual.**

\*\*\*\*\*

Where in the world is the Quantum dimension? It is the Virtual realm or pure, crystal river, creative potential; it is Pure creative spirit energy. It is the higher conscious realm within, below and inside the “least” dimension of the human cell; least but greatest; only discovered by those who have understood thee Kingdom requirement of being the least. The Quanta is below, yet higher inside the sub atomic parts; and the origin of the atom. It is the foundation of all life spiritual energy. It is the realm of the most INVISIBLE micro cosmos; that which is the least and greatest in the INVISIBLE Kingdom of the Quanta. The realm of the Quanta can be likened to the micro chip and or the hologram where every part is a complete whole.

The Virtual of Potentiality is the foundation or the heart of the Quanta; which is made up of the Quark and the Quasar; just as the neutron is the heart of the electron and proton in the realm of the Atom. If you find your true identity in the Virtual, according to Yeshua, you will be greater than anyone who only knows The Messiah as another Person. In the realm of Virtual, All are ONE; All are equal, everything is NOW and there is nothing but Today (Kairos). The Virtual is the true Daylight Saving Time; there is NO night there. The Arnion Lamb is the light (Rev. 21.23). The Mature Amnos Lamb is inside the little Arnion Lamb. The two who function as one are Servant King in The Kingdom, which is already established in the realm where everything is waiting to be given identity and visibility by words.

The Truth is: in the 4<sup>th</sup> Dimension, the big mature Amnos Christ is in – and ONE – with the little or least Arnion. They two, in the dimension of “light” are ONE, completing the mystery of the least shall be the greatest and the last shall be the first. In the Book of THE REVELATION of the LIFE OF JESUS CHRIST (not necessarily the physical man Christ; but His character and quality of life, which is OUR potential); the Lamb on the throne, every time is the Arnion, the little lamb. The Lamb who went to the cross and is Resurrected ascended Christ has ascended into the little lambs. The lambs on the throne are those who have discovered the Kingdom principle: which is, the Least is actually the Greatest; and the inside is actually the outside. In the government of the 4<sup>th</sup> Dimension of the Spirit of The Christ, we are shown how Saul became Paul. The word Saul identifies the King of Israel who was a ‘head’ taller than everyone else. Paul chose after his conversion, to change his name to Paul, which means the least.) Paul understood the secret of the Mystery, which is also a clue to us as to how to get us out of our Egypt; our iron prison. The way is to seek ye first the Kingdom of God, where the least is the greatest. Of men born of woman John the Baptist was called by Jesus the greatest; however the Least in the Kingdom of Heaven is greater than John. John knew the Messiah as another person; we know the Messiah within.

Why are we just now hearing about this invisible, unknown Kingdom inside us; called Quantum? I believe that now is the Chronos time that Jesus talked about; that time which ONLY the Father knew; the time for HIS kingdom to come. We have awakened to Kairos time where every moment is a Divinely appointed package of potentiality; called by Jesus as “our time” which is always ready (John 7:6).

Yeshuah, the Messiah, (Jesus the Christ) said; *“God [the Father] is a Sprit.”* He is, to the human eye, invisible. No “man” at any time hath at any time seen GOD; but, *“he that hath seen me hath seen the Father.”* The Father and I are ONE. The Truth Yeshuah manifested revealed the purpose of the Son of man; which is to give individual, personalized visibility to the invisible God. The most base and demeaning and defeating thing a Christian can do to Yeshuah the Christ is “to worship Him as separate from your person, to think of Him as a separate, unique person in that no one else can be like Him.” That perspective robs and nullifies His Resurrection purpose which is to be One with us in our life. Jesus prayed, *“Father, ...that they also may be One in us”* (John 17:21). His purpose was to make it possible for His Body to express visibly His victorious Resurrection.

\*\*\*\*\*

**Don't rob Jesus of His Right to be Present in your Presence.  
Don't try to live your life for Him, let Him be your life.**

\*\*\*\*\*

We are aware that “GOD” has always been here. He is Yehovah Shama; Present; He is Omnipresent; everywhere present; all the time He is present. The only place where everything and everyone is always present and always NOW is the Quantum Dimension. He is also omnipotent; (Omni-potent; total potentiality; or all power.) He surely cannot be seen by flesh

focused man; but my dear friends, HE can be found. “If you seek me, you will find me.” Those who saw Jesus Yeshuah saw Him (God was made Visible by the Son of Man).

Jesus said; ***“I am not sent but unto the lost sheep of the house of Israel”*** (Matthew 15:24). How do we know that we are identified as the lost sheep of Israel? This is my view. Jacob, who became Israel, is the pattern. If you have received the Christ as your new nature, and have matured to the place where you know Him in His Resurrection as your life, then you are Israel. (All who are called Israel are not Israel. Romans 9:6)

Jesus said to the woman at Jacob’s well; “God is a spirit and they who worship Him must worship him in spirit.” My definition of worship is; to give honor and to recognize the worth of a person (worth ship). Jacob found his true spiritual identity by drawing water from the well of salvation. The ROCK on which he laid his head was the source of Water, Paul said that Christ is the ROCK. The Rock and the Water is within each believer. The spirit of God is the ever present pure creative energy which is the invisible, inexhaustible Crystal River flowing from deep, deep within the heart. Jesus said; the Water I give you will become a well of water, springing up to everlasting life. I believe that everyone has the potential to swim in and become the water; but only believers who are be-livers will ever discover the Aquarian spiritual waters of Life as potential.

Life at the Quantum level is no longer a theory; nor some kind of Theological debate. Quantum life is now a scientifically researched, tested and tried; verified, demonstrated reality. We, in this 42<sup>nd</sup> generation, are introduced to what has been invisible and unrevealed for 6,000 years (or in Scriptural level, 6 days; and in Quantum life, One day.) We are given the opportunity (Kairos) to ascend to a raised up realm, described by Josh Grogan at the Super Bowl and also at the World Series when the Red Sox finally won and said “the curse has been reversed”. This year the White Sox declared that righteousness is established. (I am believing that Shoeless Joe Jackson will be reinstated to illustrate the Restitution of all things.) The 4<sup>th</sup> dimensional people are standing up... Quantum Priestly people will have the capacity to remove the time factor.... And to make all things new; to remove the history of separation, and of sickness and disease; of rejection and disappointment; of the part that hurt and inferior emotions play in illness and disease.... The quantum conscious interface with spiritual truth will overshadow and will clothe upon with new life. The Kingdom continues to be at hand (within our grasp) Today.

The Spirit gave me a simple illustration out of my own experience. I remember when I was just a small boy, when electricity was run into our house. What an exciting event. My daddy pulled that cord on the light socket and said; “Let there be light.” That little 60 watt light bulb seemed like the sun, compared to the kerosene lamp. We were so thrilled. Things have progressed until Polly and I have four lamps in our family room! And, they all have 3 way sockets. With one light bulb we have the potential of 60, 75, or 100 watts of light by turning the switch. “Christ is the light that lighteth every man that cometh into the world” (John 1: 9). Man is in darkness until the Spirit of GOD turns on the light. Christ the Light is spiritual. And the natural man is carnal and fleshly and cannot receive the things of the spirit. Every natural man is born spiritually blind. Some spiritually sighted person must show the blind man where the switch is. Jesus showed the man born blind that the switch was at the pool called Siloam, which means “sent”. You do not have the Christ Light until you have heard that “you were sent”. Jesus said that no man has ascended up to heaven except he first descended from Heaven and discovers that he is in heaven (John 3:13). You really must think about that in light of the Quantum

revelation. Heaven is already a present tense, an inside place. Arise, shine, for your Light has come, and the Glory of the Lord has arisen upon you.

The angels said that Christ will come again as you have seen Him go; ascending into the clouds of Heaven. We are the clouds of Heaven which he ascended into (Acts One:9-11). When He ascends within us, it is by degrees; it is like turning the lamp on, first to the lowest light, 30 fold; later at Pentecost, to the 60 fold. Finally, the son arises to the Tabernacles level of 100 fold. One day soon there will be a brotherhood of Be-livers who will ascend to that unlimited, undeniable potential of the 8<sup>th</sup> Day, the never ending Day of perpetual Light.

Those male and female Be-livers will have discovered the hidden truth of “for by Grace you are saved.” The scriptural meaning of grace, in Hebrew “a superior who bows in submission to an inferior” (Strong’s #2580/#2603). The word *Chanan* translated “grace” means “*to stoop or bend in kindness to another.*” Think of it. The Creator made Himself servant to the inferior soul of man.

This is a hidden Truth mentioned first in Genesis chapter 6; “Noah found grace in the eyes of the LORD.” (Have you noticed that the root word for Grace is *Ch-N*, and also that the root word for Noah is *N-Ch*; a mirror reflection?) Abraham, Joseph, Moses, Israel and David also found grace in the eyes of the Lord. What did they find? They found that The Creator had submitted Himself to their words. The Creator was willing to become their servant. Of course! Can you see it? Jesus the Christ was the visible expression of the Invisible Creator God; and He made Himself servant of all. He said, “If you have seen me you have seen the Father.” Double WOW, WOW! “For by GRACE are you saved”. Can you believe that? We are saved because God our Father, the Eternal, ever Living Creator of the Universe has made HIMSELF servant of man’s soul. Jesus said, “If thou canst believe” because in union with the Father we have the unlimited Divine Potential. Is that beyond all that you can ask or think? At the Virtual Quantum level there is nothing but oneness; union and present tense, unlimited Divine Potential. Is that above and beyond all that you can ask or think? As the Origin of faith, He entrusted HIS creative Life into the hands of an unknowing and ungrateful and unseeking mankind.

If you hear the message that is burning in my heart; and if you want to image our Creator, we together will dedicate ourselves to seeking out those who feel they are inferior; AND CHERISH THE OPPORTUNITY TO MAKE VISIBLE GOD’S GRACE.

More to follow....
