

## The Crystal River (Part 7)

When you become aware that eventually every thing in life is changed from its physical or liquid form by your body into atomic ionic electrical frequencies, you will see that your body is spiritual. The law of naming in Genesis 2, is still true and in effect today; "what you call it is what it is". At the atom ion level YOU ARE SPIRIT. In the heart of your DNA (what you think of yourself) is what you are. YOU ARE SPIRIT (Romans 8:9).

# The Power of GRACE Consciousness

When the Spiritual Creator breathed His Covenant Spirit Life into the nostrils (the area of the Passion for life) the man formed of the dust of the earth became a living soul. His potential, was then and is now, to become a life giving Spirit, the image of his Spirit Life Father. That event introduced what has been a hidden Mystery. Surprisingly; God gave the feminine soul of man the authority and the responsibility for the expression of His Life. **"And the LORD God breathed into man's nostrils the breath of life and man became a living soul."** God's nature is GRACE; (the Hebrew definition of Grace is: "a superior who is submissive to an inferior.") AMAZING, INFINITE, MARVELOUS GRACE. You could say that GOD allowed the soul of man to act as god, so that man's words became the creative power. Words are formulated in the operation center of the soul, (intellect, emotion and will).

**By His faith that HIS purpose would prevail, the creator subjected Himself to the authority given to the inferior earthly feminine soul of man. The LORD became a Sovereign Servant, creating what the earthy man said. This insight is verifiable in the life of Christ, (the expressed image of the Invisible God) who as a servant, gave visibility to His Father's true nature, differing from the profile of the absolute Old Covenant Law Giver/Judge. Jesus the Christ was the perfect, expressed (*charakter*; i.e. an exact copy)**

A Pelegram...

Volume 1, No. 7

## Water from the Fountain Gate

**"I went to the gate of the Fountain and to the Kings Pool; but there was no place for the beast that was under me."**

Nehemiah 2:14

Spiritual Implication:

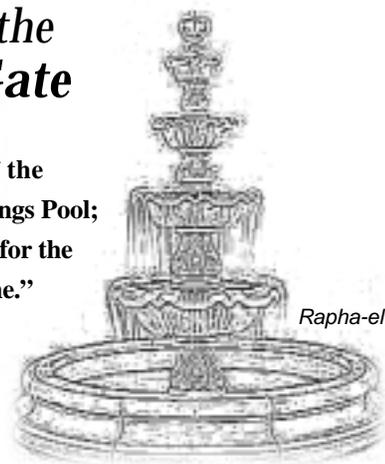

At the Kings Pool

(*Barakah*; *blessing*) there

is no place for blessing the beastly, carnal nature.

You must leave your beast.

*These words are for the edification of the Spiritual Body.*

**image of the Invisible Father. In his perfect expression of His Invisible Father he manifested the life of a servant. The Melchizedec Christ Priest; the living creative WORD was a Servant to man. Thus we conclude; in this realm of the visible earth, the creative Spirit Power of God is expressed in those who will be a servant. I propose that God’s Grace, (One who bows in humility to an inferior) is the Ultimate mystery of God and of man as His image. The mystery of all mysteries; GOD is a compassionate humble, forgiving Creator God. His entire creation; including mankind, is waiting for the corporate Adopted man-child BODY who know that I AM HIS Servant Son, whose assigned covenant job is to institute order in societies lost in self-destructive chaos resulting from words by the Amorites (undisciplined talkers); and to bring peace to destructive natural calamities. The 4th dimensional spiritual Son (male and or female) has fully embraced their spiritual servant identity in the body of Christ. *[Our personal, individualized assignment is to make the two Adams (the first Adam and the second Adam), One Adam; the male and the female, One functional person. In Christ the invisible and the visible manifested as one; the Spirit and flesh one visible spirit; and Past and future a Now today experience, released from the calendar and the clock into a life of Divine appointments.]***

I am impressed to point out the importance of Christ being crucified between two thieves. There was a thief on his right and one on his left. Christ had taught that: “a thief is come to steal, kill and destroy... life.” What did these two thieves represent in our life? I believe that when we personalize this truth; the thieves represent the past and the future. The enemy of life will have you focus on what has been and what will be, to distract us from the potentials of life TODAY. The regrets of the past and the anxieties and fears of the future are an imprisoning bondage. They will keep us from experiencing the New Creation which is a Today reality. Of the three crucified that day, only one was resurrected. He was a new kind of Adam, one released from time to function in the realm of quantum. In the last Adam we are born, not of blood, nor of the will of flesh, nor of the will of man; but of the GOD of Grace, full of Grace and Truth. (John 1:13, 14)

***Jesus is the answer – but,  
Do you know the question? You must...***

*Please think seriously about what is being said.* The Creator of the universe; the Origin of life, positioned Himself in His creation as a Servant King. This insight changes dramatically what I was taught about God. It explains why He put death and life in the power of man’s tongue; also why He put blessings and cursings in man’s mouth. Remember that YHVH said to Moses at the *Bush* revelation; **“I will be with your mouth”**, remember that He said to Israel; **“As truly as I live, ...as you have spoken in mine ears, so will I do to you...”** [by your words are you condemned]. Jesus taught that man is justified and or condemned by his own words. This directly connects man to the

pronouncement made to Adam in Genesis 2, “what you call it, is what it will be.” If you get the picture you can see that Our Father expressed absolute Faith that His Servant Sons would, with their words, superimpose His Righteous, Peace and Love Kingdom upon a planet in rebellion. The Creator placed the power of His creative words in man’s carnal greed ruled soul and let man’s own words, judge man’s sin. Want to know why there is so much uncontrolled lust, greed, prejudice, hatred, and murder in the world today? Mankind’s uncontrolled (creative) words.

The only way in my perspective, to understand ‘the mystery of man as the image and the mystery of God’ as the origin of life, is to recognize that He **created then formed** us; we were equipped to live in two different dimensions; the physical and the spiritual, at the same time (in the world but not of it). I am portraying the two realms as third dimension and fourth dimension. The physical earth dimension is a three dimensional experience; **a realm of opposites**. The spiritual person’s true realm is in the invisible Quantum 4th dimension; **the realm of unified oneness**. The Quantum Unified Dimension is a very real place inside man who has the potential of superimposing the **life of the 4th upon the 3rd**. Paul addressed it in 2nd Corinthians 5. Think about that. The promise of **the transformation** (super imposing) of the body separates Christianity from ALL other religions. The Bible shows us that we were first created spirit, then formed as flesh. (Like the Atom we are both wave and particle, determined by the observer; we are the observer.) Are you spirit or are you flesh?

Jeremiah 1:5 reveals that our Heavenly Creator knew us as Spirit before we were given earth **form** in our mother’s womb. In **OUR spiritual** design we were **each created** both male and female in the same body. Lowered into the physical realm we were formed of the earth and separated into two functioning parts, man and woman. This third dimensional experience requires us to try to **Re-member** how the two functional male and female parts of the spirit person were originally unified. The role of the masculine spirit part of the cell is the connecting link to our Spiritual Father.

The Moses Tabernacle parable portrays the Golden Altar as the mechanism connecting the Holy Place Soul to the Most Holy Creator’s power. In the New Testament; The Book of Hebrews actually shows the Golden Altar as a functioning part of the Most Holy Place; i.e. Kingdom of Heaven. The Golden Altar symbolizes the Word producing tongue. Your tongue is your Golden Altar. Our cell structure is designed to copy the original cell model. The completed Spiritual Christ creation described in Genesis One was declared to be a Very Good model. Then in chapter two, the account of the third dimensional **formed** separated male and female introduces a visible kingdom of **opposites as opposed to the spiritual model in chapter one**. The Spirit man in Genesis One was given Dominion over the creation, but the third dimensional earthy couple were not given dominion. (Check it.) (One was created, the other was formed.) The visible third dimension and the invisible fourth are **both** real life dimensions; however the fourth dimension only operates by **faith** and by **believing**. The Bible portrays the invisible faith realm of Spirit Truth as an **invisible reality**. In the third Dimension truth is determined reality by man’s 5 senses. The invisible realm is given credible reality by the Mind of the original Christ which is the Light that lighteth every man that cometh into the world. For the spiritual minded, the mind of Christ is your right mind.

## ***Consciousness is necessary for believing.***

Noah, Abraham, Moses, David and others are reported to have discovered the mystery of Grace. If the Spirit witnesses this Grace perception to you as legitimate, look at the exciting insight in; **“for by Grace are you saved through faith”**. Becoming aware of the Grace Servant nature of Our Father and His Son introduces a new adventure of “working out your own salvation.”

-----  
***STARS AND CONSTELLATIONS REFER TO BIBLICAL ASTRONOMY.***  
***Astrology is a deceptive counterfeit. Don't let it rob you of an important truth.***  
-----

At the beginning of the age of Pisces (the constellation of two fish), Jesus introduced the Church of Pentecost by the sign of the cloven tongues of fire. Even though Yeshuah (Jesus) was the Tabernacle of God Himself; he introduced his Church at Pentecost, by the sign of cloven (dual) tongues; to emphasize that every believer must go through the Pentecostal wilderness experience of duality to learn that God is ONE, the giver of our life, and must express that truth with a single tongue. Israel was taught to live one day at a time. They also were taught to trust YHVH for bread and water. They praised and complained (duality). The goal was a single tongue. A single tongue signifies a single eye and a unified mind. Israel had 40 Pentecostal years to learn that there is ONE GOD; we have had 40 Jubilees (2,000 years) of Pentecostal type training. We have had 2,000 years of dual consciousness; seeing ourselves as sometimes good and sometimes evil along with a confession of being flesh and also spirit; a dual misunderstanding.

In the midst of the divisive, horrifying and traumatic events happening on every continent today (the creative result of man's diversity of languages) the new Constellation Aquarius, the man with the water bottle, is pouring forth the ***spiritual*** frequencies of The Crystal Waters onto the earth. His spiritual higher frequencies are affecting man's ability to think and speak at higher levels of creativity. Be aware of the volume of new discoveries and inventions. Some are for good, some are for evil; all are the duality of good and evil. First the natural and then the spiritual. Expect new spiritual revelations. Like everything in the physical dimension, Truth is meaningless until someone becomes aware of its reality. The mysterious Power of ***Consciousness*** converts invisible Spirit Truth into physical reality. Can you hear? It is a wonderful truth. You can change your life by Awakening to the dynamics of the Living ***Resurrection Life*** awaiting the Conscious empowering catalytic conversion of your Golden Altar. Conscious BELIEVING brings Spiritual truth into visible reality. Conscious unified righteous believing is your human covenant role as GOD's creative word. Canst thou believe? In our covenant with our creator it is our responsibility to understand, by His Spirit, the creative powers released when we take His role as Servant and allow Him to function as Sovereign. Powerful! Jesus said; **“the Father that dwelleth in me, he doeth the works”** (John 14:10). Do you see? Paul, the Servant of Jesus Christ understood this mystery.

## ***Your CONSCIENCE is being converted into a BELIEVING Servant CONSCIOUSNESS.***

Jesus said to Peter and John; “Follow the man that you find with the water pitcher to his house. He has a room already prepared.” (RJ paraphrased Luke 22:10-11). Why is this story so important? The Messiah knew that in the fullness of time everyone on earth would be able to find the man with the water pitcher. He represented the constellation Aquarius, which is overhead today. When we look up to the heavens, we are actually looking within. The Holy Spirit is quickening your consciousness to the significance of this story for you today. It turns out that the WATER man had an upper room already prepared for the Passover meal (The Lord’s Covenant Supper.) His disciples knew, from Malachi, that the Messiah would be revealed at Passover. Jesus looked down (or up) the corridors of time; two thousand years until TODAY. He has a place already prepared for a newer higher Covenant insight; an ionic roof top, fourth dimensional experience. The spiritual mystery is; the roof is the basement. In the fourth dimension, you ascend by pressing the down button, to learn the power of submission.

John, the Apostle, devoted five chapters of his Gospel of Christ to the teaching of Jesus in the Waterman’s upper room. John’s account of the 33 years of the earthly ministry of Jesus is recorded in 24 chapters. He devoted one fourth of his Gospel to the **six hours** Jesus spent with his disciples in the upper room, owned by the man with the Water bottle. The role and message assigned to the Waterman is vital. For six years now the water man has been pouring a spiritual kind of water on the earth; His encapsulated message is designed for a higher thought frequency. It is time that we became AWARE of and tuned in to his message. I think that it has to do with understanding resurrection, new creation life. Psalm 19 tells the story; **“The Heavens declare the glory of God... day unto day uttered speech and night unto night show knowledge. *There is no speech nor language where their voice is not heard.*”** This is my view of the resurrection. God’s glory is the resurrection of His Son. Christ in you is the hope of His resurrection life. (Christ was raised by the **glory** of the Father. Romans 6:4). Romans 2:7; **“...seek for glory and honor and immortality, eternal life.”**

***What EVERYONE IS WAITING FOR HAS ALREADY happened.***

***When Christ is our life, Resurrection power is already ours.***

Books have been written about “You are what you eat.” Dietary specialists have countered with; You are what you assimilate. The Church has been on a spiritual Pentecost diet for 2,000 years. Israel was 40 years of wilderness Pentecost. The Church has been wandering in Pentecost 40 Jubilees. We have been given two days (2,000 years) to eat and assimilate the Lord’s peace offering. The third day we become Him and become His Peace offering. (Leviticus 7)

\*\* Have you considered that in the realm of the Quantum Virtual; the cells in our body are as distantly separated, by comparison, as the stars in the heavens? The stars are millions of light years apart; but with a powerful microscope we find that the atom structure in our cellular body is the same pattern. The micro-Cosmo and the maxi-cosmos are ONE program of order. The human cell and the earth are the same operational system as the solar system. The earth turns from pole to pole and creates a magnetic ionosphere. The atom turns inside the human cell and creates a magnetic ionic lymph, nervous, circulatory, digestive system, etc. As the stars are connected by dark matter, our cell structure is connected by an invisible web of super energized watery connective tissue. Just as the planets and the stars float in an ocean of black energy; each human cell floats in an ocean of interstitial fluid rich with creative molecular energy. Our cells can be compared to a silicon microchip.

## ***WE ARE INTERCONNECTED TO OUR FATHER’S WORLD***

The microchip compresses a Smithsonian amount of information into a mustard seed size chip. God compressed His creative knowledge and the history of the created universe, including the history of Christ and His Body, within the sub-Atomic Quanta of your cellular library. The mysterious ‘mind’ of Christ within the cells of every believer, is the most complex university of information, connecting you as an individual expression of God’s Son to the expanse of the stars of the universe. The voice of your anointing has influential power on the most distant stars as well as the most intimate and smallest cell in your humanity and connects you to the DNA of your genetic family history. The frequency of your voice is POTENTIALLY the Father’s ‘glory’, which is the frequency of Resurrection Power to raise the dead. (The dead being those who are unconscious to their union with Christ the Son of God.) They cannot prevent us nor precede us. The dead are those who are the ‘dead’ in Christ, who have yet to be awakened. They must rise first. They will hear the voice of those who real-ize that we are the Resurrection of Christ. We are their genetic kinsman redeemer.

\*\* The most demeaning and obstructive thing that a believer ‘in Christ’ can do to the Messiah’s **resurrection life** is to worship Him as a unique, separated, different individual; and to talk about

His resurrection as a past or future event. After all; He did what He did at the cross and at the open cocoon, to make us a conscious metamorphic ONE and a Now Today Person with Himself. When we consider Him as anything other than Our own Life, we nullify His resurrection presence within our own humanity and rob Him of the Power of the Glory. The separation (sin) con-science is ignorantly superimposed upon the heart by any religious doctrines which postpones our union Oneness with Christ. These are the very doctrines of traditions Jesus condemned as a lie from the beginning. Christians have been taught to play a waiting game. If you are still looking for; or if you are teaching a future resurrection for the Body of Christ, you cannot be empowering His resurrection life in us as His new creation person. Whatever it takes; some of us must awaken to His Resurrected Presence within our cells as a present day reality. The entire creation is anticipating the manifested mature Sons; tormented in anguish and travail waiting for the peace of divine order which believing Sons are anointed to create by the Christ Seed principle.

The mind of Christ, within you, contains the compressed history of the universe. WOW! Everything you need to know is inside your micro cellular mind. The Bible tells us so. Our Father has already written His Law of Life in our cellular heart.

The activities of the anointed Priest in the Pattern Tabernacle portrayed his ability to connect one dimension to another (the Holy Place to the Most Holy Place). The Priest was portraying the role that chlorophyll plays in our bodies. This mysterious element is created by photosynthesis which is the union between the minerals in the earth and the ultraviolet rays of sunlight. Chlorophyll is the frequency which connects the two dimensions of heaven and earth. Chlorophyll is important to our physical health, but even more important for spiritually connecting heaven and earth. Its exciting to understand that our father created the human eye to distinguish frequencies which we see as colors. When we are spiritually awakened, we have the ability to see the frequencies which make up Christ's Body (the coat of many colors).

Most of us are still blind to this potential. The High Priest's activities in the Most Holy place illustrate what Paul referred to as the "depth" factor. \*\*\* Paul's mysterious statement in Ephesians draws on this illustration: \*\*\* **"...that you, being rooted and grounded in love, may be able to comprehend with all saints what is the breadth, and the length, and DEPTH, and height; and to know the love of Christ...."**

The word 'depth' has NO three dimensional definition. It is explained by Strong as a Mystery. It is interesting that the Spirit of God chose the word 'depth' to convey the spiritual idea of going down or deeper or becoming less, in order to introduce the mysterious spiritual dimension where there are many levels of invisible Spirit life; often thought of in religion erroneously as 'up there'. **"He who ascended first descended."** In God's Spiritual Dimension the way to ascend upward is to descend downward. Have you discovered this Truth? That place within us is spoken of by Job; **"[There is] a path [or a way]... which the vulture's eye hath not seen."** I believe that he is saying that there is a place within man where there is no flesh to attract a vulture; there; in the

DEPTH of spirit is only Spirit. My friend Mike tells me that the shadow is used in Geometry to represent the 4th dimension. The Tabernacle is referred to, in the Book of Hebrews, as a shadow. The chief construction engineer was Bazalel. His name means “shadow of El”. The Tabernacle was a 4th Dimension quantum parable of the spiritual Government of God. It defined how the Life of Heaven operates within the cells of man. It is the place of wisdom and understanding prepared for those who understand that straight is the gate and narrow is the way. Only the few servant nobodies who know that of myself we can do nothing, can find it. They are the Calebs who understand that the battle is the Lord’s and that The Lord is trustworthy to keep His servant partner who knows **“I can of mine own self do nothing”**(John 14:10).The Hebrew word ‘friend’ is a word which is used exclusively for a covenant, joint heir friend, like Abraham and Lazarus who were called friends of God.

Everything is nothing until someone gives it identity and definition BY conscious awareness. Christ, our working model of life and of the JUST God, who would not expect any of us to be a servant unless He had designed the servant ‘GRACE’ role for Himself. The word Grace in Hebrew means “a superior who bows in servitude to a lesser.” When God made man to be the living, life directing soul, He made Himself the Servant. The Superior became the ‘helper’. Jesus came not to be served; but to Serve. He, as the visible model of His Father, made Himself of NO reputation and took upon Himself the role of a servant. He was the TRUTH about God and He is the true definition of man’s appointed role. Do you see? Have you received your sight? We were ALL born blind to this miraculous mystery. It is the redeeming truth for those who think inferior demeaning thoughts about themselves. Are you eating the True Bread? (The True Bread is the consciousness that we came down from heaven.) Jesus said; your fathers ate [Pentecostal] manna in the wilderness and they are dead. In Our union Oneness, we can say; “I am the true bread that came down from heaven and I am in heaven [on earth]” (ref. John 3:13 and John 6:51).

\* The LORD God said to Adam (in Quantum Reality of the Present moment), “What you call anything; is what it is.” When you give something a name it is (to You) what you call it. Adam became CONSCIOUS of the character of a thing and called it by its nature. That is what the word Shem means; the name defines nature and character. When we pray in Yeshua’s name consciously knowing that in Him we are One, we give Him 3rd dimensional presence. Old time ‘religion’ is gone forever because the Kingdom of Heaven is our personal, present tense reality.

We as spirit are not Our natural body. But Our body is necessary to give Him a presence in this dimension. Christ’s resurrection set in motion a body released from the mortality curse. As spirit, we are not limited to this dimension. Our physical body is like a suit of clothes for God to wear in this form-al Earth occasion. In this ‘natural’ dimension we can be wrong; but in the quantum Kingdom there is no wrong. When I write as a teacher; I know that I am also a student. You know what I mean.

The Crystal River will continue with an explanation of the role chlorophyll plays in Our Priesthood...
