The Crystal River Part 11

Important: Your personal ascension begins with a quantum leap from faith into an unexplored dimension of expected and unexpected discoveries; remembering and rediscovering and expanding the creative adventures of being The Father’s divine imagination; for Good. We are the most privileged and most responsible generation; the first to know about quantum science, relativity, holograms, subatomic particles, ageless photons, micro chips and DNA.

Notice: The RESEARCH into Science and Astronomy is a quest to help us IDENTIFY the Spiritual record encoded within the Chromosome/DNA heart of the HIDDEN MAN OF THE HEART, which is intended to be confirmed by the WRITTEN WORD of the COVENANTS. With increasing attacks on the WAY OF THE CROSS we must equip our self to be ready always to give an answer for the HOPE that lies within. I am more and more impressed that we as the SPIRITUALLY ANOINTED were lowered into this three dimensional realm of opposition and conflict to participate in the PLAN for reclaiming this Earth realm for the rightful OWNER; our Creator Father El Elyon. Understanding our true identity is necessary to equip us with spiritual memory and insight to stand in our Anointing and also to withstand the accusations and lies of the carnal Adversary. We are Spirit; we are not carnal. We are a Visible expression of Spirit.

It is our will and purpose never to diminish in any degree the Righteous Goodness of Our Father and His unique Equal working relationship with His Sons and, also to express the highest confidence in His written Covenant records. It is my view that we must be diligent in our walk and remain forever teachable as the Spirit renews our understanding day by day. The Biblical introduction of the Heavens and Earth; light and darkness; good and evil opens onto a stage set for a physical life of stress caused by a sense of duality. Stress tears at the fabric of a healthy life. We were appointed to this conflict to discover that we are IN this struggle but we are not OF it. We are OF the Prince of Peace; and OF His increase and OF His Government there is no end. Our Life was hid WITH Him and IN Him from BEFORE the foundation.

From my view it is important to observe that all types, shadows and signs were fulfilled in Christ’s birth, death, resurrection and inauguration of A New Creation, which operates on a timetable of Today and Now.

Water from the Fountain Gate

*“I went to the gate of the Fountain and to the Kings Pool; but there was no place for the Beast that was under me.”
Nehemiah 2:14*

Spiritual

Implication:

At the Kings Pool (Barakah; blessing) there is no place for blessing the beastly, carnal nature. You must leave your beast.

These words are for the edification of the Spiritual Body.

A JOURNEY Into INVISIBLE LIGHT where you will discover your greatest potential.

Our Spiritual Father is Invisible, forever invisible. He is not absent, just invisible. Ninety percent of the Energy of the suns in our Father’s universe is invisible. To approach our Creator requires a Journey into the invisible. In our last study we focused on the important aspect of God, which was hidden from the natural man in a place, which HE called darkness.

“HE made [the invisible] darkness His Secret place” – Psalms 28:11

“Clouds of [the invisible] darkness are about Him” – Psalms 97:2

“I will give you the treasures of [the invisible] darkness” – Isaiah 45:7

“ Moses drew near to the thick [the invisible] darkness where GOD was” – Exodus 20:21

“The day of the LORD is [the invisible] darkness and not light” – Amos 5:18

“[Invisible] Darkness and Light are alike to Him” – Psalms 139:12, etc.

These scriptures are a coded emphasis designed to challenge the natural mind. They affirm that the natural man cannot, nor was intended to receive the things of GOD without the Life giving Spirit. The human brain cannot achieve its potential without information received from the Spirit. God designed a Kingdom plan for Creative Energy to operate outside the natural light spectrum in an invisible realm HE called darkness. The Spirit Dimension is darkness to the carnal mind, so is The Law of Life.

A MOST IMPORTANT THING TO DISCOVER is that *Righteous Spirit life* equips us to SEE what only the righteous imagination can SEE. The Anointed ability to SEE is symbolized by Aaron’s rod in the *concealed* Ark of the Covenant. The rod was a branch from an almond tree. Jacob had his vision of the DNA ladder at a place called ‘Almond Tree’ (Luz). The natural mind receives the light from Aaron’s rod via the element of the seven Almond tree Lamps. The anointed eyes of the *imagination* empower us to LIVE beyond the requirements of time in a place where *Christ can “come quickly”* (The Revelation 22:20, Job 42:5, John 9:25), which is the Quantum. Quantum, the deepest place in the cellular mind where space and thought connect, is a place of oneness, where time is now and all is unified in non-competitive rest.

I have concluded and I propose to you today that Spiritual darkness is everything you cannot ‘see’ with the natural eye, and or with the carnal mind. These include the invisible microscopic universe of the subatomic cellular body. There is a natural physical body and there is an invisible spiritual body. They represent two different dimensions. It is wonderful when you discover that the Life of Christ is Life OF another dimension. It is in the Quantum, our mind of Christ unified Oneness.

****** “To whom much is given, much (more) is required.” ******

**Required study for Remnant Volunteers....* As a very popular (you could say FAMOUS) radio commentator says, “And now for the rest of the story....” (some say that he earns the title of Apostle Paul Harvey), I would like to pick up from our last treatise: “having been introduced to the Scriptural truth of the *Hidden and Mysterious Creative Power of GOD our Father*, The El Elyon, (Most High Father God) who is concealed from the natural eye in the ‘darkness’”, we are prepared for crossing into the realm of the ‘Rest of the Story’. It is much like Christ endeavored to lead Israel into a new understanding of *Promised Land*. When He was baptized in the Jordan he introduced a *new dimensional paradigm “God the Father WITHIN man.”* Here, in the invisible realm of ‘Darkness’ within man is the dimension the natural eye has not *seen*, nor has the natural ear *heard* of the things which have been prepared for the First Fruits Remnant Company. There is nothing ‘out there’ that is not ‘here inside’. It has been very difficult to overcome the genetic *tradition of separation*.

In our last study we focused on the account in Isaiah where *The LORD GOD told the Gentile King of Babylon; “I will give you the treasures of darkness, and the riches of secret places”* (Isaiah 45:3). He even called King Cyrus (*Karesh* in Hebrew) “*My Anointed*”. This scripture identifies a miraculous truth. Jesus taught it some 700 years later; “*what so ever you bind on Earth shall be bound in Heaven.*” What King Cyrus did was to provide the treasure of Babylon to rebuild for God the Jewish Temple of Solomon in Jerusalem. Cyrus’ desire to build God a Temple established in Heaven the *precedent*, which gave the Heavenly Court the *Lawful right* to build God a *Spiritual Temple* among the Gentiles. King Cyrus’ act established the precedent in Heaven that commissioned the *Ministry of Paul* to the Gentiles. (Neither Peter nor James understood.) We know that the human body is the Temple of God. No one knew the personal *Presence* before Messiah Jesus taught the “*the Kingdom of God is within you.*” The *secret treasure* of this insight was initiated for the Gentiles by King Cyrus and in the fullness of time preached in the Anointing by Paul.

It is extremely interesting that President Harry Truman, in 1947, when he almost single-handedly got the UN to establish ‘Israel’ as a nation, said; “I am a modern day Cyrus.” Was he impressed or persuaded by the House of Rothschild that Israel should rebuild the physical ‘*hieron*’ Temple made

with hands? God’s truth is about a Temple not made with hands; but made with thoughts and intents and spiritual words... by the individual Christ spiritual body.

WHERE AND HOW IS GOD BUILDING HIS TEMPLE?

This we know: GOD is Spirit and HE is building HIS dwelling place by His Spirit in a place of silence within man, according to a pattern. Here in the micro Universe within the nucleus of the human cell, invisible to the human eye, is where His visible life begins. With electronic microscopes the activities at the Quantum level, magnified 5,000 times when displayed onto a computer screen, conduct us into a guided tour where cellular life begins. We are amazed to observe the smallest Flagellum bacteria, with its seven intricately designed mechanical parts play its role in the assembly of Amino acids to formulate and deliver Protein for the continual replacement of weakened cells, millions of times a day. All the activity is so precise and orderly and quietly carried out in the dimension called darkness. It blows your mind to see what God has done. It is the Kingdom of Heaven being done inside our Earth. However this law of the replacement of dying cells in the natural is still under the dominant force of mortality. There is a higher law, available to man, working the same pattern unto immortality. “This mortal must take on immortality.” This mortal will.

It is an inside work carried out by the Spirit of Life, according to the Laws of Spirit Life, after the spiritual pattern of the Tabernacle, in a place where light and darkness are the same to Him. It is all being done where the eye of our spirit, the transformed imagination, sees the orderly working together for Good. The dimension of the adversarial systems of ‘good and evil’ has given way to the higher authority of the Throne of Christ where there is One will. Religion taught us that HE is coming to a Church without spot or blemish. No! He is not coming; He came to His perfect Spirit body. “Put on the new man, which after God is created in righteousness and true holiness” (Ephesians 2:24), created in perfection in the *darkness* and being formed in the light. **“I create darkness and I form light”** (Isaiah 45:7).

Have you realized that you can do nothing to contribute to your perfection? Religion promises that if you do things you can become a ‘better’ Christian. That is not true. It was finished. Perfection is by faith and not by works. The scripture that was translated ‘work out your own salvation’ is not in sync with comparative scripture. The Holy Scripture says ‘Walk out your salvation.’ You cannot improve on His Resurrection Life. You can only WALK it out of the carnal darkness into His marvelous Light. And we as His Anointed Adoption Sons will do it.

Religious ‘Leaders’ identify themselves as ‘in full time’ Christian work. That suggests that the rest of Christians are ‘Part Time’. NOT. There is no such thing. ‘Leaders’ tell us that to be a better or good Christian we should do a laundry list of ‘works’; Attend more; Visit more; Pray more; Give more; Study more; Be more involved, etc. etc. etc. Those are the little foxes that spoil the vines. Not by works.

ABRAHAM’S SEED IS CHRIST, not as many; but ONE. The YOU Truth.

Abraham (the father of faith) was promised a Seed. The Seed Abraham was promised was CHRIST, Galatians 3:16. Abraham’s concept of the Seed was a son. He and all the Old Covenant Patriarchs were limited in what they believed by the carnal mind and the physical world. They still had a veil

over the spiritual mind. All of them knew GOD as a separated entity. CHRIST in Abraham was in the invisible darkness realm within Abraham as a treasure in a secret place. What Abraham sought was hidden within. Everything he looked for was within, even the City. Jesus said to His disciples, “**you are the City.**” Even The FATHER is within.

In our day, Spiritual revelation appears to be somehow interconnected to scientific discovery and accepted truth. Don’t be afraid of the word science. Science simply means to examine all the evidence. Biblical Astronomy (The Gospel in the Stars) was one of the earliest schools of science. Job, Noah, Shem, Abraham, David, The Magi all identified truth concealed in the Constellations. To them and to most people today, the heavenly message was up and out there. They had not made the inner molecular connection. They did not SEE the invisible Universe within.

In NASA’s recent Voyager Expeditions (1975 thru 1991) it was confirmed that every Star, on closer observation, is a Sun, which has its own galaxy. Aristotle had taught since the 3rd century BC that the earth was flat and the center of the universe. Then in the 1st century AD, the Catholic (Roman) Church made Aristotle’s philosophy a part of their Church Dogma. Their vast membership was frozen into this traditional belief. In the 15th and 16th centuries, even after overwhelming evidence that the Sun was stationary and the Earth was revolving around the Sun, the Christian (Roman) Church still rejected this scientific information. The Council found it difficult to admit that their Dogma could have been wrong.

PASSOVER: The 14th Day of the new Month began with the new moon, after the Spring Equinox (March 21st on our calendar). Passover was first given to Moses as a sign to a carnal minded people. The spiritual understanding waited for the Apostle Paul to explain with anointed insight. He revealed that the Seed is Christ, which is being formed in you. Believers, as the bride of Christ (whether male or female); can give birth to the manchild Christ through the reproductive loins of the mind (1 Peter 2:13). The key that unlocks the hidden truth in the Tabernacle was that the corners of the west wall (the west wall of the Most Holy Secret Place) represents the reproductive organs of the mind. (The Holy Place and the Most Holy Place both have to do with Minds.) The Hebrew word for the west wall is **Yarekah**, meaning the feminine (soul) reproductive organs.

The Tabernacle was a feminine symbol and all of us are feminine in God’s teaching pageant. (When the Angel touched Jacob in his side, the word is **Yarek**, i.e. reproductive organs. You need to imagine what actually happened. When you SEE, you will understand why he went limp. The blood APPLIED TO THE Ark of Covenant was to establish in the Spirit dimension that the Priest was qualified in Heaven to reproduce a Spirit Son. The High Priest, for the people Israel, delivered the blood right into the Heavenly Most Holy Secret Court.

THE IMPORTANCE OF A CALENDAR

A calendar, which resulted from the study of the stars, established the date for the Egyptian Passover and ‘in type’ the conception of Christ. In every Culture and in every religion there has been a Priesthood who are responsible for keeping track of times and seasons. This gave them enormous power and influence. (Kings used Eunuchs, castrated males, to record the menstrual cycle of King’s harem by setting up a 28-day calendar for each female.) At Passover, the blood on the door of the woman’s house in Egypt was an introduction to the understanding of the blood of the cross, on Passover. Passover happened on the 14th of the month, the time of ovulation. In order to understand

the message of the Passover Pageant, it is important to establish that Christ, our High Priest, was complete in Himself; that is that He was male and female. And that in Christ each person is made complete, male and female. His shed blood on the cross set in motion the spiritual pattern which shows how we cleanse our body of the unfruitful, mortal, Adam seed. It happens in the Loins (reproductive ability) of our mind. Having this insight, we can individually give birth to the Son of God. We each must have a Mary type faith experience of conception, i.e. Christ in you. The acceptance of ‘Christ in you’ is a witness to our commitment to the process of fetal development, “until Christ is fully formed” for birth. Completed Christianity is Christ becoming our life and the individual experience of God’s Kingdom in our earth body — a 7-step progressive developmental process. The individual 7 developmental stages start at Passover conception, unleavened bread and first fruits; on to Pentecost and then on to the Feast of Trumpets, Day of Atonement, Tabernacles and finally the 8th day. In God’s required course of study, no one skips any grade. All creation is waiting to see the 8th day Son. The Bible calls the event ‘Adoption’; but the true message is the ‘placing of the Sons.’ When Jesus was raised from the baptismal waters of the Jordan the Father said; “this is my Son,” that was the introduction of a New Order. When the Sons are manifested all nature will celebrate the event (Romans 8).

THE TIME WHEN GOD WAITED for a Prophet of Science

For nearly 6,000 years the carnal brain of man was educated to believe that the Earth was flat and also the center of the universe. That belief imprinted in the mind of man a limited boundary concept. It was not until the 1500’s, that Copernicus started teaching that the Earth was not the center of the universe. He concluded through mathematics that the Earth was not flat and that we were in orbit around the Sun. The Hebrew word for Egypt is *Mitsrayim* and means boundaries or limits. The New Testament states, **“Out of Egypt have I called my Son,”** into **“Nothing shall be impossible to him who believeth.”**

Also, man’s belief in a flat earth that was positioned in the center of the universe developed in the carnal subconscious mind an inflated ego. In Psalm 91, the Psalmist King David viewed the Sun as circling the Earth, which portrays the earth as being the center of the universe. **“In them [the heavens; or constellations] hath He set a tabernacle [a dwelling place] for the Sun. Which is as a bridegroom coming out of his chamber [bedroom] and rejoiceth as a strong man to run a race. His going forth is from the end of the heaven, and his circuit unto the ends of it; and there is nothing hid from the heat thereof”** (Psalm 19:4-6). The Psalm conveys the idea that the Sun journeyed daily through the 12 constellations, which appeared to surround the stationary Earth. Progressive Faith waited for another level revealed by Christ.

About 3,000 years later, Copernicus proposed that the earth was not a stationary body, set in the center of the circuit of the Sun. Actually the Earth was a moving planet in a circuit around the Sun. WOW. The Spirit of Gods reveals that the Earth has a role to play in a much larger plan. Man and his Earth suddenly became a small but intricate part in God’s much larger purposes. Man, as a Son of God, is anointed to become a co-creator in establishing Earth as a Citadel in God’s Kingdom. Jesus initiated the higher Christ role for man and at the end of the training, a hand full of ‘initiates’ He prayed; **“Father, I pray not that you should take them out of the world but that you will keep them in the world”**; thus indicating that our role is fulfilled while on earth. Going to heaven is not our assignment.

Later scientists have proven that Copernicus was correct in his mathematical calculations. Galileo, a professor in the Catholic University at Pisa, Italy, using a crude telescope was able to verify the Copernican theory. Because the Roman Catholic Church had positioned herself as the guardian of Truth and had declared the Aristotle philosophy as Truth; Professor Galileo was put under house arrest, banned from teaching and allowed to see only his daughter, a Catholic Nun, for the rest of his life.

Inherited and cultural traditions, as truth, are extremely s-l-o-w to change and the God of Grace is waiting for a remnant seed to ascend to a SON level who will, in Covenant, be His mouth and speak only His words as He reveals His nature.

The point I wish to make: this generation with scientific proof of a round earth rotating at 24,000 miles per hour, literally flying through space in its 365 days, 186 million mile journey around the sun, all without our having the sense of moving, we have more understanding than a thousand previous generations. The loosed and challenged mind of man became an inventive laboratory. In 1780, for the first time in written world history, the U.S. legislature established a patent office to deal with the sudden upsurge of the creative mind. To whom much is given much more is required. We are without excuse. What will we do with this wealth of information earned for us by dedicated research?

Plus; in the twentieth century we have the benefit of Albert Einstein’s scientific insight of Atomic structures forming all physical aspects of life, making our bodies ionic or magnetic just like the universe. His discovery of the constant speed of light, 168,000 miles per second, sets a standard for time. Light outside our atmosphere is black. There is more...

Plus; Dr. Edwin Hubble, at the Mt. Wilson Observatory in California introduced us to the many suns within our own Milky Way galaxy, which man once believed was the entire universe. And that each star we see is a sun and has it’s own constellation. There is more...

Plus; Dr. Hubble along with NASA has documented billions of other galaxies, each with billions of star suns and their constellations. ***“What is man that Thou art Mindful of him.”*** God has appointed His anointed ‘man’ to redeem the Earth.

Plus; we have the discovery of James Watson and Francis Crick that our physical bodies are each a composite of trillions of micro-scopic libraries of inherited ancestral information called genes operating as the DNA / RNA molecular cell reproduction system. (Note: The mind of Dr. Francis Watson is still today in bondage to the Darwin evolution theory. He was taught and teaches that in scientific research your study begins with the acceptance of Darwin’s theory of the origin of species.) There is much more...

Plus; the development of silicone microchip computers and cell phones which function on the same principle as our brain and nervous system. Did Yahweh God not tell us that we are wonderfully and fearfully made? These are just a few of the millions of gigantic advancements in scientific discoveries. Our ‘much more’ required faith should make the Disciples faith seem like kindergarten. Can you hear the Messiah saying; “Oh Ye of little faith”? Nike (Just do it!) Is the ball in our court? In our Christ/Body covenant I believe we are responsible.

We are part of something far beyond getting saved and going to heaven. The HEAVENS within, according to Jesus, are a PRIESTHOOD of compassionate Sons prepared to administer a Kingdom of Love.

(I consider my greatest gift of revelation the insight into the foundational Hebrew definition of God’s Grace.) It came as result of studying how Noah found Grace in the eyes of the LORD. Practicing the rule of first mention, which says that the first time a word is used in Scripture the definition stands through out Scripture; I learned that the root word in Hebrew language for grace is *ChN* (Chet Nun). And Alan says that every three-letter root word in Hebrew is a verb. I found that the Hebrew name for Noah is *Noach* or *NCh*; a mirror image of *ChN*. The Strong’s definition of *ChN* (grace) is: “ *A Superior who bows in submission to an inferior.*”

The Spirit, who is our teacher, showed me that when God breathed His breath into the nostrils of Adam, Adam became a *living soul*. By GRACE... God the Superior, assumed the covenant role of inferior servant and transferred His creative Word Power to the tongue of man. That, my friends, is the Hebrew and foundational understanding of GRACE. It is important in light of Jesus telling John; “*We must fulfill all righteousness*” i.e. we must complete every prophesy of the Old Covenant. Can you see the importance of this statement? God emphasized that every word spoken by the prophets, as “the word of God” must be fulfilled. When I saw that Christ was the physical expression of the Father and that He took upon Himself the form of a servant, it set my feet on higher ground. I could see why Paul changed his name from Superior (Saul) to least (Paul). The Creator’s covenant nature is that of a servant. Messianic ministry must be by servants.

It may be profitable here to review the Spiritual Law governing Covenant. In a ratified Spiritual Covenant both parties give their most valuable asset as a gift to the other party. What God brought as a Covenant Gift to His Covenant Partner, the spirit of man, was the gift of His Creative Word. By faith; He gave up His Creative Word to man. That insight has changed my theology. I SEE that *in covenant* God trusted man to be His mouth. To Moses; “***I will make your mouth, my mouth unto Pharaoh***”; also God’s pronouncement to Israel, “*As truly as I live, as you have spoken in my ears, so will I do to you*” (Numbers 14:28). Man’s most valuable covenant contribution, is the gift of his visible body, which gives visibility to God. The two become ONE expression of Life. It is in Covenant with man God “*creates evil and forms light*” by “*creating the fruit of man’s lips*” (Isaiah 45:7 and 57:19). *To me this explains how a good God can create evil. It is God’s creative Word IN the DUALITY of MAN that creates evil and forms light.*

The question I raise is this: While the Church is waiting for GOD to do something new, such as the doctrine of the return of Christ to judge evil (which is what He did at the Cross), does that doctrine of “waiting” hinder our living up to our responsibility of being Christ’s physical presence now? Does the expectation of the return of Christ ignore His living presence within His Body now? Haven’t we heard that FATHER GOD and His Christ and His Kingdom are within us? Haven’t we heard that He has identified His Life and our life AS ONE LIFE? The laws of Spirit life keep every facet of the cosmos in synchronized order. Our bodies are patterned after the heavens and our sun is the Spirit of Righteousness in the Resurrection.

To Seekers of Spiritual Truth, the Sub-atomic microscopic world WITHIN is the REALM OF GROSS DARKNESS. That is where God resides. In the 20th Century we were introduced to a new field of study called micro-biology, which allows us to see the DNA/RNA enzyme, amino acid,

protein production inside the micro-universe of a cell. The activity of cellular mitosis (division and reproduction) is darkness to the natural eye. The informational blueprint for the origin of life is concealed in the DNA. This happened ‘light years’ before Darwin’s “Origin of the Species.”

In the Book of Thomas, found among the writings of the Dead Sea Scrolls, Jesus was asked by the Disciples; “*when will be the end of the age?*” Jesus replied, “*Oh; have you discovered the beginning? When the inside becomes the outside and the outside becomes the inside and when you know the beginning, then shall the end come*” (The Gospel of Thomas). The out side is the macro-cosim of the universe; the inside is the micro-cosim of the micro atomic cellular organelle systems of our body.

I am proposing that in our exploration of the heavens and space we have accumulated myriads of volumes of mind boggling and brain tilting information about the world out side, out there or up there. Man has not yet learned to appreciate that whatever is out side, up there is the same as the universe within. Believers have not realized (real-ized) that the male must become female and that the female must become male (or equal); they two must become one before the end can come. “They two shall be one flesh.” The male represents the DNA and the female represents the RNA; neither is of any consequence with out the other. In Chapter 30 of Exodus, the operation of the Laver in the Pageantry of the Tabernacle emphasizes that the Tabernacle is a Feminine Revelation. The Spiritual Teacher stresses that nothing can happen in the unfolding insight except it begins with the woman’s mirror, the Laver. For example, The Play cannot start without the introduction of the role of the Laver. The Priest, playing the role of Christ, could not attend the Altar of Sacrifice nor enter into the Holy Place except he first wash at the Laver; “That you die not” is repeated twice. The Laver, as the Mirror, introduced the role of RNA in the hidden activity of the inner activity of the Sanctuary’s Holy and Most Holy Places (The Dimensions of Darkness).

When the ‘Gods’ separated the female by removing the RIB from the side of the male and female man; what He (or they) removed was the ribonucleic-acid. The rib is an abbreviation of the RNA, the mirror image messenger (copier) in the operation of cell division; mitosis. This is the process of cell reproduction. “The woman is the RNA, i.e. the soul which is saved in child bearing. Producing a spiritual son saves the soul. Salvation is about reproducing yourself as God’s son, in the loins of your mind. *The birthing of the man child*, is accomplished in the loins (the reproductive imagination of your mind.) “*Gird up the loins of your mind*” (1 Timothy 1:15, 1 Peter 1:15, The Revelation 12:5).

This is very important. Hear what the Spirit says to the Church! *First the natural, then the Spirit.* We learn the pattern of Spiritual things by observing the natural. The natural WAS NOT first. The SPIRIT was the Origin, the Genesis of all things. But we ALL were born of woman and knew the natural before we were introduced to Spirit. So Paul, talking to the natural carnal minded people said; “*first the natural and then the spirit.*” In the *Spirit mind* we now know that the *Spirit* was first. We now know that we were Spirit before we were given a flesh body. “The Word became flesh” is our story.

In the Bible ALL people are considered female. All of us have the ability when the Spirit and the Soul are married, to reproduce a Spirit Child; a Man Child. It happens as a function of the mind. This is the message of PASSOVER. Passover is *Pesagh*, which means to ‘cover’ or ‘overshadow’. In God’s Pageant School of HIGHER learning, Passover occurs on the 14th of the month and is the 14th day of the lunar cycle. Passover relates to the menstrual cycle of the female, all of the females in God’s Pageant experience their time of month when ovulation occurs. Spiritually it is the time of month

when God’s Word fertilizes the female egg. If the egg is not fertilized, the woman then sheds blood to remove the un-fertilized seed. Without the shedding of blood there is no remission of sin.

You MUST get this. If you do not realize that The Corporate Elohyim has written a Pageant to teach ‘mankind’ *the Spiritual way* to produce a *Spiritual Son*, you will miss the point, and wind up with a Religious interpretation. The shedding of blood, on the 14th (in Egypt on the door, and in Jerusalem on the Cross), was about the removal of the unfertilized and unfruitful seed of the Adam race trapped in *mortality*.

At Passover the Israel nation in Egypt, was instructed to apply blood to the doorposts and lintel of their house on the 14th day of the month. The message was to Israel (God’s wife). They were given a sign indicating their acceptance of God’s plan to impregnate them with a Messianic seed. The sign given them was the blood of a male lamb. **“When I see the blood I will pass [overshadow] you.” God said when I see your willingness to give up** natural Adam animal kind of childbirth, signified by the blood (the sign of removal of the natural seed), I will give you the ability by My Word of Promise to reproduce a Spiritual Son (using the power of the loins, the reproductive organs of the spiritual mind). The husband and the wife were both active in the pageant.

PASSOVER IS ABOUT RECEIVING, as Abraham did, THE SPIRITUAL PROMISED SEED OF GOD’S WORD. Abraham *believed God and it was accounted for righteousness*. That SEED he was promised is CHRIST.

THERE IS MORE TO THE REST OF THE STORY...

The Bible states clearly that GOD is ALL and IN all. May I address that there is a difference in being IN all and OF all. Jesus taught that ‘we’, like He, are IN the world but not OF the world (John 17). IN CHRIST, all of us were born or created above before we were born of woman but are OF another dimension. Science talks about a BIG BANG theory, which initiated the TIME factor. There was or is a dimension which existed before time. That dimension still exists as and at the Quantum level of life. GOD and His CHRIST and the MIND of CHRIST operate at that level. And that level of Life is within us. Christ (our Truth) came down from above. He came down from above as the ‘true bread’ that He spoke of in John 6.

This world Dimension that Jesus said we are IN, is a dimension of opposition. But Christ was not of this world. The Elohyim created this dimension that way: good and evil; light and darkness; positive and negative; etc. In this world every one faces opposition. Through the centuries sports have been the centerfold of cultural life, very popular because this dimension is focused on competitive opposition. But, there is a creative dimension within us which functions from a position of unity and peace and oneness. That is the dimension we are OF: Love, Peace and creative non-competitive potential.

In a place of opposition and competition there are two players, or two sides, or two teams. In this Earth Dimension of Competition we did not choose which side we would be on. This understanding will be important to you in developing humility and compassion. Jesus’ team must show compassion and humility. The Father of All is developing a family, which manifests HIS nature of humility and compassion and service to the lesser. His Grace Nature is defined as “A superior who submits himself in servitude to a lesser”; that is the Creator’s nature. We were created to image Him. In order for

Spirits created by Him to learn and prove His Character and nature, there had to be a place of testing. The pageant was written to be played out on the physical, visible Planet Earth. The place of competition was for the universe to observe. The Bible states that Angels and Watchers are spectators.

The TWO TEAMS are the Father’s two sons and their inheritance. The elder Son was created perfect until iniquity was found in him. His iniquity was a superior attitude and the ambition to rule, and to overrule his Father. He was ‘cast’ down to the visible physical Earth along with his inheritance of one third of the Angel spirits. The elder son was Champion of Confidence and Pride and he was assigned the role of opposition without a rulebook. His handicap legacy of mortality proved to be incurably contagious and required a continuing line of heirs to perpetuate the play.

The younger son was given His inheritance of one third of spirits, referred to as His body. He brought them down to this ‘flesh’ dimension to engage the Champion of flesh. In the first inning or the first round or the first quarter, etc; the younger son lost his team to the overwhelming power of the flesh. He escaped to go back in humility, willing to be a servant, to His Fathers house. This obviously delighted The Father to see that His younger Son manifested His Father’s nature. The young son was rewarded for his willingness to be a servant. He was given a crown, the Father’s signet ring and new sandals for his feet, a feast and sent back ‘down’ to find, redeem and reconcile His Team. He found them in the field, redeemed them by buying the field with his own blood, which cost him his visible presence in this world. He reconciled his Inheritance by his death and saved them by His Resurrected Spirit. He set forth a new kind of created population upon the Earth.

It is now the ninth inning, late in the last quarter, round fifteen; the Elder sons’ flesh and mortality is leading by a wide margin... but the game is not over. The Universe itself was designed by The Father to judge and punish rebellion and sin. The outlook looks dark; but we have been able to read the script and have seen the end of the contest. The Father has hidden His power in the darkness. The Overcomers, the Adoption Sons, the Remnant Seed, the Arnion lamb, the First Fruits company, etc. will prevail. The physical Earth will be saved because the Creator declared the End as the Beginning.

Do you get the picture? The players are the same, even though the names have changed; Adam and Eve; Good and Evil; Eve and Nachash; Cain and Abel; Ishmael and Isaac; Esau and Jacob; Moses and Pharaoh; David and Goliath; Jesus and Satan; the flesh and the Spirit.

There is so much more to the STORY and it will continue as the same story...
