The Crystal See — Preface

What we know is a drop, what we have not yet discovered is an ocean.

The Kingdom of Heaven was introduced as a completed administration of Passover, Pentecost and Tabernacles. We have seen that the Kingdom is incomplete without all three phases. The Kingdom was portrayed as The Tabernacle itself; the Court, the Holy Place and The Most Holy Place. Our humanity is characterized as a Tabernacle/Temple; ‘Spirit, soul and body,’ a unified Wholly Spirit City. Jesus called us “a City set on a Hill.” Other diagrams of our life were characterized as faith, hope and love; little children young men and Fathers.

The Crystal Sea Discussion #5: The Kingdom of Heaven Historic Connection

A note in a bottle...

*Jesus prayed, “**Our Father, Thy Kingdom come in earth as it is in Heaven,**” in our earth body.*

I believe that our assigned purpose as God’s Spirit children, is to portray in our lives the characteristics of His orderly Kingdom. This becomes a perfectly natural experience to us when we have met the structured conditions of Righteousness, Peace and Joy in the Wholly Frequency known as our own Holy Spirit. Every thing in life is assigned a frequency. Each of us has our own unique spiritual frequency. I suggest that this frequency is what the Bible talks about as “the silver cord.” That ‘silver cord frequency’ gives us a ‘heavenly’ connection.

The Holy Spirit of God is often referred to as the Holy Ghost. It is referencing a unique Spirit frequency which connects us to our Spirit ‘Country of Origin’ and to our heavenly support group, to our own Angels and our own crowd of witnesses through our own individual frequencies referred to in The Bible as the silver cord.

Heaven, in the Old Testament is the word *Shamayim* and means “where the water is.” As far as man has been able to determine our Planet Earth ‘is where the water is.’ Heaven in the New Testament is the word *Epi- Ourinos* and means “the higher level of Spiritual awareness.” We are formed of the Earth and are the same 70% composition of water as the earth. Plus, our Spirit origin with our unique frequencies give us the ability, as part of the Sea of humanity, to See a higher level of Spirit conscious life than a carnal minded person.

As we saw in our last 'Crystal See'... all of us came down from heaven via the birth canal of our Earth mother; but our spirit life originated in Heaven, just as Messiah's life originated. Paul said that our true Mother is 'Jerusalem' above; **"which is the mother of us all"** (Galatians 4:26). Jesus said, "My Mother is those who believe what I believe" (Matt 12:46-50 jrc paraphrase).

A note in a bottle...

*God is Spirit. He is our Father. We are spirit of His Spirit. This is His World. He sent us here with His blessing, **"Go in Peace, be Peace Makers."** That is what He said (put in South Carolina language).*

We could say; The Kingdom of Heaven is in the consciousness of those who know that it is our right to be called the sons of God. The understanding that we are His sons is our righteousness. The awareness of our Oneness with and as the Messiahs constitutes Our Peace. Peace is a Pentecost attribute. Pentecost came 50 days after Passover's festival of first fruits, (the crossing over). Fifty is a spiritual symbol which signifies Jubilee and the removal of all debts. To me that is Peace. The other Kingdom of Heaven quality of citizenship is His Joy. His Joy, which was promised Christ, that was set 'before' Him (set in the future) becomes His Joy when His Corporate Body is able to 'do the things better and greater than He did; on the earth.'

The constellation of Pisces the fishes was represented in the Parable of Jesus feeding the five thousand from five biscuits and two fishes and also the prophecy concerning the two Sons of Joseph (Ephriam and Manasseh) as two fishes in the five Books of Moses. We have moved out of the Constellation Pisces the fishes and are now positioned in the anointed frequencies of The Man with the 'Shamiym water bottle,' who is positioned to pour water on those who are thirsty (for a fresh, new message). In our next article we'll say more about Jesus saying that the scriptures can't be broken. We are at a pivotal point in history: a time to be changed 'in the atoms of our body'; a time to be transformed by the renewing of our mind; a time for the mortal to put on immortality; a time to bring immortality to light, a time for the corruptible to become incorruptible; the time for the manifested Sons to stand up and cry "Holy, Wholly" to the creation which is in distress (in Zion, **Tzyion** 'a hot, dry, parched wilderness place in their life). Know someone? Today is the day of Salvation; Now is the appointed time. Father's Spirit says; "Let's roll."

To be continued as Father directs....
