The Crystal Sea/See #11

Seeing the Invisible Christ Through Spiritual Perception.

Due to the time lapse between Crystal Sea #7 and #10, it may be important to summarize our journey. We started this thesis following the Apostle Paul's report on his own journey into the 3rd Heaven, which was our introduction to the 4th Dimension. Paul could not share everything he learned because he did not have a second witness. The discovery he did report was; **“There is a natural body, and there is a Spiritual body”** (1st Corinthians 15:44). The natural body is controlled by our natural carnal brain. The Spiritual body is the expression of the ‘Mind of Christ.’ The scriptures tell us that “we have the Mind of Christ” (1st Corinthians 2:16), but the Mind of Christ is not in the brain, and in my own spiritual experience, I had not understood how to let the Mind of Christ be my own mind. Our goal in these explorations is to locate ‘the Mind of Christ’ and to discover how to “let it be” our own mind.

These studies are directed to Believing Christians who believe that there is more to Christianity than ‘going to Heaven’ when you die. The 1st Epistle of John 2:12-14, reveals that there are three categories of Believers. The first level consists of those characterized as little children – those who believe that their sins are forgiven and are going to Heaven. There are two other levels to explore for those who wish to understand that our assignment is to establish a ‘beach head’ for God’s Kingdom, on this earth. Our ministry goes beyond simply ‘being saved.’

This part of my individual journey started one morning when I awoke hearing myself saying, ‘Aurora Borealis.’ This made such a powerful impression on me that I went to the Public Library to see what they had on the subject. They helped me select a book that was a very detailed report on ‘Aurora Research’ by a German man named Theodore Doubler. Mr. Doubler wrote an Epic Poem containing thirty-three thousand (33,000) verses expounding his powerful argument that the origin of the Earth was part of the Sun. He concluded that the molten core of the earth is the MEMORY of the earth’s once being part of the Sun. When spiritually applied to our own life, the Aurora becomes a Testimony of our own individual Sonship (Sun ship). There I said in one sentence what he said in 33,000 verses.

Our Personal Aurora: The Mystery of the Kingdom

Because my individual interest is spiritually based, Mr. Doubler’s life research led me to the conclusion that since the planet Earth has a self-generated aurora, then our own body (formed

from the earth) also has an individual Spiritual Aurora, which some people refer to as aura. And our Aurora is our individual, invisible Spiritual body as Paul said in 1st Corinthians 15:44. So, I have set about to confirm my thesis that there are ‘secret’ messages (for those of us who are seeking His Kingdom in our individual earth) in each parable Jesus taught.

I have found to my satisfaction that the ‘secret symbol’ of the Aurora, in our Bible, is the continuing Presence of the ‘Cloud.’ The ‘Cloud’ has always been the symbol of the Spiritual Presence of God’s Kingdom, beginning with Noah and continuing through the Scriptures to The Revelation 14. The Presence of our Covenant God was symbolized in the Cloud. It lead Israel through the wilderness and covered the Tabernacle and temporarily covered Solomon’s Temple. My study for months has been on the Cloud ‘Presence’ of God with Israel. It covered the Tabernacle until The Tabernacle was set up at Gilgal in the Promise Land, and then the Cloud disappeared. God removed the Cloud from His “Promise believing people” so that they would discover that His Presence was within them wherever they were, even in Babylon. The visible Cloud departed and did not return until It covered the Mount of Transfiguration. The Mountain symbolized a higher dimensional government than the people were aware of.

For those who have been introduced to Quantum Science, this becomes seriously important. Quantum is a study of ‘life’ that is invisible, and the ‘invisible’ realm of invisible life activity is classified as ‘The Field.’ My ‘Guidance System’ has led me to the belief that ‘our Soul and the Christ and His Kingdom’ are in a quantum frequency identified as the ‘Aurora Field’ and connects our natural physical body to the Aurora by ‘The Silver Cord.’

THE KINGDOM OF HEAVEN CLOUD

When the Cloud appeared on the Mountain to the three witnesses: Peter, James and John, it signified our most important True Spirit Self; our invisible Christ Spirit Self resides in our Cloud Aurora. This is most important when we understand that Our Father only sees us in Christ, in the Aurora, for Christ is our Spiritual Life. His Spirit Life is more important than our natural life because it is from the Spirit that we receive even our physical life. Paul said, **“the Spirit giveth Life”** (2nd Corinthians 3:6). The three witnesses missed the dynamic of what they saw and heard because they had not yet been Anointed with Spiritual understanding.

The Gospel according to Thomas, hidden for two Ages and sixty generations, reported that Jesus said to His Disciples; “The Kingdom of Heaven will come (appear) when the outside becomes the inside and the inside becomes the outside.” My interpretation is that ‘The Kingdom of Heaven will become perceivably visible when the Mind Of Christ, in our Spirit Cloud Aurora, becomes our mind inside the higher consciousness of the frontal lobe of our brain, and the brain inside our head becomes one with and the same as the ‘Soul Consciousness in the Cloud Aurora.’

There is a carnal consciousness of the physical world using one or more of our five senses. There is also the spiritually awakened, soul awareness of God's Presence.

ATTENTION KNOT HEADS

To the Knothole Gang: I'm sure that you are aware that when you look through a knothole, you are looking with only one eye, and you only get a partial view of what is happening on the "field." I'm aware that when I write, what I write may not be all that is happening in the quantum field. I only write to contribute my line of sight as to what the Spirit of Truth is showing us. Hearing what is being seen and heard by at least two or three other witnesses is important to balance our Truth. Your Truth is based on your journey, and is what you are responsible for.

A note in a bottle...

When Jesus died on the cross He erased the effects of 4,000 years of 'carnally controlled' human history (Eph. 3:15). When He arose out from among the 'cut off ones,' those who were cut off consciously from the Spirit of God and were carnally dead, Christ instituted a 'unique new creation', a species of Spiritually Conscious Beings. The people before Christ were 'alive' in their animal or carnal brain. They were dead in ignorance to the Spirit's Presence. The new Christ empowered and Spiritually ruled people, by believing are equipped to experience the Power of His Resurrection Life. Christ was The Resurrection even before the Cross. We are assigned to interrupt, change and control the normal patterns of Nature which is programmed like history to repeat itself. Developing the power to express the authority of our Resurrection Spirit Life and to 'make' each day as NEW Day, is our daily conquest. Paul said, "The dead in Christ must rise first." We are the 'dead in Christ' who have risen first. We are living under the influence of the constellation Aquarius (the Water Man). EACH of us are individually on our way to walking out our True identity.

The Transfiguration Question:

Why would Moses and Elijah have counselled Jesus about His death?

We are continuing our quest to understand the hidden truths in the Transfiguration of Jesus. Understanding is our key word. Solomon said, "**And with all your getting get understanding.**" It is very important to 'Remember' that where there is no time, Spirit Life is different from physical life. In the first event of the Transfiguration of 'seeing into the Spirit realm,' Moses and Elijah were talking with Jesus. I have previously proposed that Moses represented the Law of Sin and Death. He introduced this Law to Israel when he put the 'flesh' veil on his face. We learn from Hebrews chapter 10, that the veil is the flesh. It is important to see that Moses chose to relate to his people in the flesh.

Messiah Jesus taught us that ‘the flesh face is a false face,’ just as the flesh conscious nature is a false nature. In the first act of Passover we are shown that the natural sensual man looks at every thing as flesh, using his five carnal senses. Paul had explained that it is the flesh conscious veil that was taken away when Jesus Christ died on the cross as the first Adam. In the ‘salvation equation’ that was “The End” of the earthy Adam. He arose to give ‘power over death’ to all who have spiritually connected “**in Christ,**” the Life giving Spirit from Heaven (1st Corinthians 15).

When Christ died on the cross, He died as the Lamb of God. Paul referred to Him as our Passover. When “Christ our Passover Lamb” died, at that point every ‘believer in Christ,’ whether aware of it or not, was released from the dictatorial power of flesh consciousness (1st Cor. 5:7). We previously have established that “our life was hid with Christ in God from The Beginning.” The word “beginning” in Genesis 1:1, comes from the Hebrew word RaSheath, which identifies a Head Ship Company. Every believer ‘in Christ’ has always been in Christ and His Head Ship Company (Ephesians 5:23). The Passover Lamb represented our sub-conscious nature which was programmed by copying our family’s carnal lineage. Christ who is our Life, is identified by Paul as our Passover (1st Cor. 5). Because He died, we can become consciously aware that when He died, we died; we ascended above our childhood sub-conscious carnality, to see ourselves as Spirit.

Our consciousness of carnality was a falsehood from the beginning. Life is and always was Spirit. That is the Good News of the Gospel. We didn’t become Spirit; Spirit is our eternal Truth. Father said; “**My people are destroyed for of lack of knowledge,**” which is a nice way of saying, ‘My children were ignorant of the Truth.’ We have been awakened to our Truth and instructed to “**Rise and Shine**”; Shine forth the Light of our Christ, the Daystar, Who has come into our Life as our Life (Isaiah 60:1).

Peter’s Interrupted Suggestion

Peter had a tremendous insight on the Mountain and suggested, “**Master let us build three tabernacles. One for Thee, one for Moses, and one for Elijah**” (Matthew 17:4-5). Peter, in his ascended consciousness, saw something he had not seen before. He perceived the three levels of understanding necessary to complete salvation: Moses representing Passover; Elijah representing Pentecost; and Jesus, Who represented the earthly Tabernacle. However, Peter’s suggestion was interrupted when the voice out of the bright Cloud said, “**This is My Beloved Son, hear ye Him.**”

In our next study, we will continue exploring Peter’s insight.
