The Crystal Sea-See #13 ***Continuing Our Personal Quest*** ***for TRANSGURATION***

As we continue our quest for understanding the ‘Cloud’ Factor in the Transfiguration, we turn to the Book of Jasher for more ‘Light’ (Proverbs 25:2). Joshua gave Jasher credibility when he mentioned his Book twice (Joshua 10:13 and 2nd Samuel 1:18). In the Book of Jasher, Enoch’s translation into a higher frequency Dimension, without seeing death, is given more clarity in Jasher 3:23-24 and Hebrews 11:5; “An Angel of the LORD informed Enoch that he would be required to ascend into Heaven to rule over the Sons of God.” God’s Spirit has witnessed to my spirit that the Sons mentioned to Enoch were the Elohyim in Genesis chapter 1. It was those Sons, according to Yahweh’s Plan, to establish competitive ego spirit in the visible three-dimensional Earth; in order to give Spirits visible expression here.

I believe that the translation of Righteous Enoch was necessary as the link to connect the two realms of Heaven and Earth. Enoch was made CEO of ‘Operation Cloud.’ I conclude that our Righteous Father required that His ‘upper’ Kingdom have an Earth representative who had

A note in a bottle...

Jesus said that we are in this world of three dimensions, but we are OF another Dimension.

recorded a perfect, Righteous relationship with Him. Enoch’s thousands are the origin of and are represented in the rain Cloud. Jude verse 12 in our Bible refers to Enoch’s representation as God’s Kingdom. (The word “Cloud” in Strong’s is #5051: *anan*, which means nimbus or rain cloud.) The Cloud that connected the nation Israel to God’s interactive higher Kingdom was always a nimbus rain Cloud. Note: There is no rainbow anywhere without the moisture of a nimbus rain cloud. The rainbow was the symbol, which represented on Earth, God’s Covenant with Noah. Jasher reports that Enoch’s information of the Earth’s impending judgement by water came from his grandfather Cainan. As we move onto Noah, and the Bible fact that rain was an unknown substance at that time, Noah was told that the judgement would be by rain. No one at that time knew what rain was. The Bible identifies Noah’s son Shem (which means ‘the name’) as the lineage through whom God would institute His Cloud Covenant. Shem is identified in Jasher as the King of Salem and the King of Righteousness, and that he along with Noah were responsible for the education and upbringing of Abraham. Abraham lived with them until he was 50 years old.

We are told in Genesis that Shem, as Melchizedek, reminded Abraham that the spoil he took in the war to rescue Lot, was actually won by his connection to the higher Dimension of God. Abraham and Shem made a Communion Covenant of agreement and Abraham paid tithe to Melchizedek in recognition of the activities of God's role in his victory.

Our Bible and Jasher are filled with historical accounts of others, who all had the intervention of another more powerful Dimension in their lives. After his experience at Bethel in Luz (an almond orchard), Jacob (the son of Isaac) was able to manipulate the DNA of animals. Jacob also received divine protection from his brother Esau's army, by armies of angels reported in Jasher chapter 32. And we could spend hours talking about Jacob's transition into his new name Israel, where I believe he chose to give up his separating ego.

I want to especially highlight Moses, and his receiving a new identity at Horeb. The angel of the Lord explained to Moses that his true identity was HAYAH, translated "I AM." The sons of Israel and Joshua also deserve careful study; and are an insight into how two different dimensions were interactive.

Others who had experienced the intervention of 'another more powerful Dimension' were Jacob/Israel, Moses, all The Sons of Israel, and Joshua. All of these deserve careful study, and are an insight as to how two different dimensions were interactive. I have found the story (in Exodus 18, beginning with verse 8)

of Moses, Joshua and Amalek to be the most revealing, hidden 'secret' in the Bible; and my knot hole view is that this particular pageant is 'our' key to understanding the connection between the invisible Dimension of The Kingdom of Heaven and our three-dimensional world.

In Exodus 18, we find Amalek (the grandson of Esau) coming to make war with Jacob/Israel in the wilderness. Esau represented our flesh nature, which was in conflict with our spiritual nature represented by Jacob. In the Amalek story, Moses carried Aaron and Hur to "a high mountain," which represented the 'Spiritual Dimension' in the Pageant. Joshua and his band of warriors were sent into the 'valley' to war with Amalek. In the Biblical account we find that the success of 'Yeshuah' (Joshua) was actually determined by the intercessory persistence of Moses, Aaron and Hur on the mountain top.

The 'Key' scripture to this Amalek mystery is found in Exodus 17:14-16. Following the victory, which was affected by the Kingdom of Heaven, Moses wrote; **"And the LORD said unto**

A note in a bottle...

The Tabernacle example was given to reveal to us our connection to our true identity, which is HAYAH.

Moses, Write this [for] a memorial in a book, and rehearse [it] in the ears of Joshua: for I will utterly put out the remembrance of Amalek (the Esau flesh symbol) from under Heaven. And Moses built an altar (of stone, eben) and called the name of it Jehovah-nissi: For he said, Because the LORD hath sworn [that] the LORD [will have] war with Amalek from generation to generation.” Please read this story until it makes Spiritual Sense.

Notice first: It is the LORD’s war, “**because The LORD said, I will have war with Amalek.**” Amalek represents the human flesh aspect that we are all born with. (Note: It is the LORD’S war, but it is our choice to recognize the fact that only the Lord’s Life can overcome the flesh.) Secondly, a question: Why is it that the LORD will war with Amalek, if the memory of Amalek is wiped out in the Kingdom of Heaven? Answer: The war is not in Heaven or the Heavens. That was settled Aeons ago by the Lamb, Who was slain before the foundations of the Earth. That victory must be superimposed by us to be effective in our own life. We were all as Spirit (in Christ) BEFORE we received our ‘flesh’ assignment to establish God’s Kingdom, in our flesh, on the Earth. The victory is forever settled in Heaven. The war is in the ‘generational’ aspect of our life, which Strong’s #1755 identifies as ‘a dwelling place in time.’ The LORD fights for us by giving us our Spirit identity. We must accept the Spiritual NOW identity and determine to SEE our self in Oneness with Christ. He was our spiritual identity before we descended into the ‘dark matter’ of flesh. He never changes and is still today our true identity.

A note in a bottle...

The Bible relates that after the Tabernacle was set up and “Sanctified,” the Cloud lifted off the Tabernacle (but stayed connected to the Tabernacle by the ‘funnel’ Cloud). Then the Tabernacle was visible to the people and emphasized the materials and colors, which are important in helping us to understand that there are invisible infrared frequencies of the sun, which are harmonized by our body.

When Christ (Who is our Life) took our Adam identity to the cross and died, was buried and rose again; He registered our spiritual birth certificate on Earth. The Truth was that we were Spirit before we took on Earthly flesh. As in the experience of the Apostle Paul, we have Citizenship that takes priority over our natural genealogy. That was the beginning of ‘a new creation’ species of Life, on Earth. We were each subjected to the Ego’s power which caused us to forget our Truth. By power of our Shepherd’s voice, we were ‘awakened to His Righteousness,’ which was our gift of our awakened memory. Our assignment is to develop and mature our Righteousness into confident Peace, and the Joy of Rejoicing.

After the ‘war’ with Amalek revelation; the mystery of Heaven and Earth as two ‘separate’ parts of our individual identity continues. While under the Cloud, Joshua and Eleazar (the Priest), reversed the direction of the Jordan River and crossed the river on dry ground. The Truth of the continuing Spiritual Dimension interacting with our natural dimension was further accounted in the stories of Daniel’s divine protection from the lions, and the divine protection given to Daniel’s three friends in the fiery furnace. The powers of the invisible realms were then clearly illustrated with Elijah, and then Elisha. Elisha received a double manifestation of Elijah’s miracles, which was predicated on Elisha’s experience of ‘seeing’ Elijah’s ascension into a higher dimension. That all brings us then to Jesus, Peter, James, and John, who experienced the mystery of the powers of another Dimension while on the Mountain.

Then, what about Saul/Paul? During his visitation to another Dimension, he learned (or maybe was reminded) of his and our true identity in Christ, and how the Kingdom of Heaven works on earth. When Jesus was baptized at Bethabara, the place where Israel had been led by the Cloud and saw the Jordan opened and reversed, Jesus’ faith afforded him the ability to believe the record of the Cloud and the Jordan being opened, which happened 500 years earlier. He confirmed a higher level of faith than those of the Old Testament by being able to accept in His own Life the reversal of the symbol of death (the Jordan) without needing to visibly see the symbols.

Still continuing our thoughts about the Transfiguration...

The Disciples didn’t recognize their personal connection to the Secret Spiritual Kingdom Revelation at the Mountain, because at that time they were ‘yet carnal’; and in their natural carnal mind they could not yet ‘see’ nor understand the Spiritual things – for they had not yet been introduced to the Life of the Spirit of God as their own HAYAH Life.

Get ready! Our Holy Spirit Teacher has raised the bar to another level of faith for those who know Christ as our Life. We are challenged to go to another level of faith because we are privileged to understand the mystery of the Resurrection. We are positioned to ‘know’ about the mystery of Spirit Life Truth, and HAYAH breath relationship to The Creator, and are aware that we all breathe with Him, His same breath. That’s what HAYAH means. It means that He is you, and You are Him. And God, Who is Spirit Breath, breathed Himself inside of man. (If thou canst believe.)

A note in a bottle...

The first act of Adam’s recorded sin was forgetting that the Father was in his Breath. That thought resulted in the conscious separation from God. Separation is the consequence of sin.

Can you see this mystery? It is as clear as crystal... as clear as the Crystal See. The unknown mystery is this: The Creator Father is Spirit, and Spirit is Breath. Breath is not only what we breathe, it is Who We Are. God not only breathed His Breath into man, He breathed Himself into man. The mystery is that God could encapsulate Himself and His Kingdom into the oxygen we breathe. His Breath is the Spirit that we are now breathing. We cannot live without breathing. He is our Life. He is all and in all. He will not leave us as long as we are breathing. If we stop breathing, He will leave; but we will go with Him, for where He is, there we will be also.

Being aware of the developing events in the land of Egypt [**“out of Egypt have I called my Son”** (Matthew 2:15)], it behooves us to focus on the Spiritual Insight of the recorded Truths revealed in the Transfigured Life of Christ, for He is Our Life.

I look forward to continuing what the Spirit has been showing me about the importance of being Our Spirit True Self. Until next time... Polly and I, with Dianne appreciate your encouraging phone calls and written words. We need you.
